Questions on Newspaper Reports

Sometimes newspaper reports including vernacular newspaper reports are referred to in the notices of questions tabled by the Members without indicating the place of publication of such newspapers. As many of such news-items particularly vernacular newspapers are not easily traceable, the notices are returned to the Members to make them specific or to furnish a copy of press clipping referred to in such notices for processing them.

Members are, therefore, requested kindly to enclose a copy of the press clipping with the notices of questions, which have the reference of newspaper reports.
