

Regarding extension of Railway line from Junagarh to Dharamgarh in Kalahandi district, Odisha-laid

SHRIMATI MALVIKA DEVI (KALAHANDI): I would like to request the Hon?ble Minister of Railways for a long pending demand of line extension from Junagarh to Dharamgarh in my constituency of Kalahandi district in Odisha. A survey had been done from Bhawanipatna to Ambpani, connecting to the Nabrangpur line. The line has been completed till Junagarh since the last few years. The train is successfully running till Junagarh, that is the goods train and passenger train, hence, it is a successful line and well utilised line. I would like the Minister to kindly sanction the pending work which is completion of the line from Junagarh to Nabrangpur so that people can get benefitted. Dharamgarh and Koksara till Ambapani will get connected through this line. People can use it to go to different cities at the cheapest prices. With the start of this line, even business will flourish. Hence, I would again request the Hon?ble Minister to please start work on this line and complete it as soon as possible.
