

GOVERNMENT OF INDIA  
MINISTRY OF EDUCATION  
DEPARTMENT OF SCHOOL EDUCATION AND LITERACY

**LOK SABHA**  
**UNSTARRED QUESTION NO. 117**  
ANSWERED ON 03.02.2025

**Educationally Backward Districts**

117. Shri Ramasahayam Raghuram Reddy:

Will the Minister of *Education* be pleased to state:

- (a) the number and names of districts categorized as educationally backward across the country during the last five years;
- (b) the proportion of SC and ST population in these districts as per the latest census or survey;
- (c) Whether the Government has introduced any schemes or initiatives to improve educational outcomes in these districts, such as special funds, scholarship programmes or infrastructural development; and
- (d) if so, the details thereof and if not, the reasons thereof?

**ANSWER**

**MINISTER OF STATE IN THE MINISTRY OF EDUCATION**

**(SHRI JAYANT CHOUDHARY)**

**(a) to (b):** The Department of School Education and Literacy is premised on universal access to schooling for all from pre-primary to Class XII through the Integrated Centrally Sponsored Scheme for School Education namely Samagra Shiksha launched with effect from the year 2018-19. Samagra Shiksha scheme is aligned with the recommendations of NEP 2020 and ensures that all children have access to quality education within an equitable and inclusive classroom environment which takes care of their diverse background, multilingual needs, and different academic abilities and make them active participants in the learning process.

This Department had identified Educationally Backward Blocks (EBB) in States/UTs, where the female rural literacy rate was below the national average. Under the erstwhile Sarva Shiksha Abhiyan, Kasturba Gandhi Balika Vidyalayas (KGBVs) were sanctioned in EBB as residential schools at upper primary level for girls belonging to disadvantaged groups such as SC, ST, OBC, Minority and Below Poverty Line (BPL).

However, with the launch of the Aspirational Districts Programme by NITI Aayog in January 2018 to improve the social outcomes of backward districts, the programs of the government

are now aligned to fill in the infrastructure and learning gaps in the Aspirational Districts of the country. There are 112 Aspirational Districts, across 26 States and 1 Union Territory (**Annexure – I**).

The information on Basic Population Figures of India, States and Districts, including proportion of SC and ST population, as per Census 2011 is available in the public domain and may be accessed through the website [www.censusindia.gov.in](http://www.censusindia.gov.in) at the following link. i.e. <https://censusindia.gov.in/nada/index.php/catalog/42557/download/46183/2011-IndiaStateDist-0000.xlsx>.

**(c) to (d):** The government through the Samagra Shiksha scheme supports States and UTs in strengthening their existing government and govt aided schools, creation and augmentation of infrastructure facilities based on the gaps determined from Unified District Information System for Education (UDISE+) and proposals received from respective State/ Union Territory. The need for schools and also the infrastructural facilities in schools are worked out every year by the respective State/Union Territory on incremental basis depending on their need and priority and reflected in their Annual Work Plan & Budget (AWP&B). These plans are then appraised and approved/estimated by the Project Approval Board (PAB) in the Department of School Education & Literacy in consultation with the States and Union Territories. Further, special focus for SC/ST/EBBs is provided through the following schemes under Samagra Shiksha:

- i. Kasturba Gandhi Balika Vidyalayas (KGBVs):** Under Samagra Shiksha, there is a provision of KGBVs which are residential schools from Class VI to XII for girls belonging to disadvantaged groups such as SC, ST, OBC, Minority and Below Poverty Line (BPL). The KGBVs are set up in Educationally Backward Blocks. The objective behind establishing KGBVs is to ensure access and quality education to girls from disadvantaged groups by setting up residential schools and to reduce gender gaps at all levels of school education. About 1.93 lakh SC, 1.83 lakh ST, 46,858 BPL, 2.59 lakh OBC and 28,761 Muslims are currently enrolled in 5133 KGBVs nationwide.
- ii. Netaji Subhash Chandra Bose Awasiya Vidyalayas (NSCBAVs)-** Samagra Shiksha supports the provision of residential facilities under the intervention entitled NSCBAVs, with the primary purpose of reaching out to girls, urban deprived and other disadvantaged children and creating equitable access to school education in remote, sparsely populated and difficult to reach areas, hilly terrains, areas affected by Left Wing Extremism (LWE),

large uninhabited areas with natural barriers like forests, waterways, rivers, etc. At present, there are 1182 residential schools/hostels sanctioned under Samagra Shiksha.

iii. **Pradhan Mantri Janjati Adivasi Nyaya Maha Abhiyan (PM-JANMAN)** which aims to saturate Particularly Vulnerable Tribal Groups (PVTGs) households and habitations with basic facilities such as safe housing, clean drinking water and sanitation, improved access to education, health and nutrition, road and telecom connectivity, electrification of unelectrified households and sustainable livelihood opportunities in a mission mode. Ministry of Education is one of the participating Ministries in the Abhiyan and PM-JANMAN is being implemented in convergence with Samagra Shiksha Scheme. As on date, an amount of Rs. 476.16 crores have been approved for 194 hostels by this Ministry.

iv. **National Means cum-Merit Scholarship Scheme:**

The Central Sector Scheme 'National Means-cum-Merit Scholarship Scheme' is being implemented, with the objective to award scholarships to meritorious students of economically weaker sections to arrest their drop out at class VIII and encourage them to continue their education at secondary stage. One lakh fresh scholarships are awarded to selected students of class IX every year and their continuation / renewal in classes X to XII for study in State Government, Government-aided and Local body schools under the scheme. The amount of scholarship is Rs. 12000/- per annum.

v. **RTE Entitlement-**

Provision of Free Uniform: Samagra Shiksha provides support for two sets of uniform to all girls, SC, ST children and Below Poverty Line (BPL) children at an average cost of Rs. 600/- per child per annum, wherever State Governments have incorporated the provision of school uniforms as a child entitlement in their State RTE Rules.

Besides the above, the Department is also implementing schemes such as the Pradhan Mantri Schools for Rising India (PM SHRI) and PM POSHAN (Pradhan Mantri Poshan Shakti Nirman) to provide adequate school infrastructure (including digital), teaching learning material, teacher support, nutrition, scholarship for EWS so as to improve the learning outcomes of all students in all States and UTs, with special focus on aspirational districts.

Separately, Ministry of Social Justice & Empowerment is implementing the Centrally Sponsored Scheme; **Pradhan Mantri Anusuchit Jaati Abhyuday Yojana (PM-AJAY)**, since 2021-22. The scheme consists of three components namely Adarsh Gram, Grant-In-Aid and Hostel. One of its components namely 'Hostel' aims at providing central

assistance for construction of new Hostel buildings for Scheduled Castes (SC) Students (separately for Boys and Girls). The hostels are taken up for construction based on the proposals received from respective State Governments/Central Universities.
