## CHAPTER – I

### REPORT

This Report of the Committee on the Welfare of Scheduled Castes and Scheduled Tribes deals with the action taken by the Government on the recommendations contained in their Twenty Seventh Report (Seventeenth Lok Sabha) on "Implementation of - Reservation Policy in Government of NCT of Delhi including socio-economic development of Scheduled Castes/Scheduled Tribe"

1.2 Twenty Seventh Report was presented to Lok Sabha and laid in Rajya Sabha on 1<sup>st</sup> August, 2023. It contained 18 recommendations/observations. Replies of the Government in respect of all these recommendations/observations have been examined and are categorised as under:-

(i) Recommendations/Observations which have been accepted by the Government  
(Sl. Nos. 2,3,5,7,8,11,12,14,15 & 16)

**Total – 10**  
**Percentage – 55.6%**

(ii) Recommendations/Observations which the Committee do not desire to pursue in the light of the replies received from the Government (Sl. Nos. 4 & 9).

**Total -02**  
**Percentage – 11.1%**

(iii) Recommendations/Observations in respect of which replies of the Government have not been accepted by the Committee and which require reiteration  
(Sl. Nos. 1,6,10,17 & 18).

**Total - 05**  
**Percentage – 27.8%%**

(iv) Recommendations/Observations in respect of which final replies of the Government have not been received (Sl. Nos. 13). **Percentage – 5.5%**

**Total - 01**

**1.3 The Committee trust that utmost importance would be given to implementation of the recommendations/observations accepted by the Government. In cases, where it is not possible for the Department to implement the recommendations in letter and spirit for any reason, the matter should be reported to the Committee with reasons therefor. The Committee further desire that Action Taken Notes on the recommendations/observations contained in Chapter-I should be furnished to them at an early date.**

1.4 The Committee will now deal with the Action Taken by the Government on those recommendations which need reiteration or comments.

### **Recommendation No. 1**

1.5 The Committee had recommended as under:

“The Committee note that in order to check the under utilization of funds and upward revision in budget w.r.t pre/post matric scholarships, systemic intervention is required to ensure wider and uniform coverage of beneficiaries under these schemes. The Committee, therefore, desire to be apprised of various steps being taken by Delhi Government in order to ensure that the pre/post matric scholarship schemes are operating optimally and to its full potential in GNCT of Delhi. The Committee further note that computerization of admission process aims at integrating the registration of beneficiaries for grant of various scholarship with the admission process itself. They would like to be informed whether the said computerization process has led to any augmentation in the number of beneficiaries. In this regard, the Committee would like to be apprised of the number of total students *vis-a-vis* SC/ST students who have been granted pre/post matric scholarships during the last 5 years in various Delhi Government run schools.

The Committee note that there has been a 90-96% utilization of budget allocated towards the disbursement of scholarship. They recommend that schemes targeting SC students should be specifically and prudently oriented in order to encourage the SC students of financially weaker background to continue pursue their studies.”

### **Reply of Government**

1.6 In this regard, The Ministry have submitted the following reply:

“The various steps being taken by the Directorate of Higher Education to ensure that the Post Matric Scholarship Schemes are operating optimally and to its full potential in GNCT of Delhi are as follow:

1. Ensure setting up of help desk by the Educational Institutes and appoint a Nodal Officer to assist the eligible students to apply online.
2. Information to be prominently displayed on the notice board & outside of Educational Institutes.
3. Students should be briefed about the scholarship schemes and their benefits regularly.

Further. by the Computerization process the number of beneficiaries under Post Matric Scholarship Scheme for SC Students have increased year by year as shown below:-

| <b>Year</b> | <b>No. of beneficiaries</b> |
|-------------|-----------------------------|
| 2020-21     | 1127                        |

**Comments of the Committee**

**1.7 The Committee are pleased to note that various positive steps are being taken by Government of NCT of Delhi to ensure that more and more students are brought under the ambit of post-matric scholarships schemes. Further, the Committee note that due to computerization of the admission process, the number of SC beneficiaries has**

shown an upswing with each passing year. However, the Committee are concerned to observe that the number of SC beneficiaries under the pre and post-matric scholarships have shown a sharp decline from the year 2022-23 onwards. Likewise, the number of SC/ST students of college/professional institutes who received merit scholarships declined during the year 2023-24. Also, it is seen from the data furnished by the Ministry that reimbursement of tuition fee in respect of the number of SC/ST students from Class I to XII has seen drastic fall from 9013 to 3909 from the year 2022-23 to 2023-24. Similar trend is seen in case of Mukhyamantri Vidyarthi Pratibha Yojna wherein the number of beneficiaries fell from 8545 to 1772 from the year 2022-23 to 2023-24. The Committee would like to be apprised of the reasons for such downward trend along with corrective steps taken/being taken to address the issue.

The Committee are also surprised to note that only a single SC student was being extended financial assistance for pursuing higher studies abroad (i.e., Masters and Phd) over the years since 2020 to 2022. Further, during the year 2023-24 merely 2 SC students benefitted from this scheme. The Committee are distressed to note that the scheme aimed at imparting higher education to the SC youth is receiving such lukewarm response. The Committee would like to have detailed information about the decline in the number of beneficiaries of pre and post-matric scholarship and also the number of applications of SC students received for pursuing higher education and the reasons for rejection and selecting only one or two out of them. The Committee would, therefore, like to reiterate that the schemes targeting SC students should be widely promoted in order to encourage the SC students from financially weaker background to continue pursue their studies.

### **Recommendation No. 2**

1.8 The Committee had recommended as under:

“The Committee are given to understand that a scheme namely ‘Financial Assistance for SC Students Pursuing Higher Studies Abroad’ has been launched by Govt of NCT of Delhi in Year 2019-20 which offers a financial assistance of Rs. 5 lakhs per student for a period of 2 years. The Committee note that the said scheme has had few takers only, keeping in view the fact that a parallel scheme is being implemented by the Government of India with higher quantum of assistance. The Committee are baffled to note that a sizeable population of GNCT

of Delhi belonging to SC category prefer the central scheme to this scheme of GNCT of Delhi. The Committee would, therefore, like to recommend the GNCT of Delhi to review their scheme and enhance their financial assistance from 5 to 20 lakh with extension of the period of assistance for a minimum term of 5 years or till the time the beneficiaries complete their study. Delhi being the capital of the Country should set forth an example by launching schemes to set example for other states like Telangana Government which had introduced Ambedkar Overseas Vidhya Nidhi scheme in the year 2013-14 which sanctions an amount of Rs. 20.00 lakhs per student as grant to students studying P.G courses overseas.”

### **Reply of Government**

1.9 In this regard, the Ministry have submitted the following reply:

“The Department of SC/ST/OBC has revised its current scheme **(Approved in 2019)** of providing Financial Assistance to SC/ST student for pursuing higher studies in abroad.

To make the scheme more attractive, the financial support has been proposed from the present Rs. 5 Lakh per annum to Rs. 12 Lakh per annum for tuition fees against the current scheme of Rs. 5 Lakh Per annum for PG courses (up to maximum two years).

For the Ph.D Programmes in the proposed draft scheme enhancement of Rs. 10 Lakh per annum for tuition fees has been proposed against the current maximum sealing of Rs. 5 Lakh per annum.

Further, to relate the scheme with the name of Bharat Ratna Dr. B. R. Ambedkar and to capture the inspiration from the life of Dr. B. R. Ambedkar who had always emphasized on the importance of education for social economic and political transformation, it has been proposed in the revised draft Scheme for additional financial assistance to students who have secured admission in Columbia University (USA) and London School of Economics, (UK) from where Dr. B. R. Ambedkar had also studied.

For the students securing admission in these two Universities/Institute, in the proposed scheme, they will also be provided with maintenance allowance of USD 12,000/- or 8,000/- GBP per Annum along with the full financial assistance for actual fee/tuition fee.

The scheme can be availed by the students for masters level Phd courses, abroad in top 300 QSWR institution/universities and London School of Economics (LSE) and Columbia University

The revised scheme is yet to be placed before the Cabinet for consideration and approval.”

**(Vide MHA O.M. No. 1612/08/2023-Delhi-I dated 13.11.2024)**

### **Comments of the Committee**

**1.10** The Committee laud the efforts of Government of NCT of Delhi for offering additional financial assistance to meritorious SC students securing admission in prestigious universities like Columbia University (USA) and London School of Economics, (UK). The Committee however, reiterate that since Phd courses are a specialized branch of study, the amount offered under scholarships should at least be increased to Rs. 20 lakh and paid till the completion of the entire tenure of Phd programme of the SC beneficiary. The Government of NCT of Delhi should rigorously pursue the revised scheme for offering financial assistance for higher studies abroad so that more and more meritorious students hailing from SC/ST community can reap the benefits of the scheme.

### **Recommendation No. 5**

**1.11** The Committee had recommended as under:

“The Committee have been informed that the Department of Welfare of SCs, STs & OBCs of Govt. of NCT of Delhi is implementing Jai Bheem Mukhyamantri Pratibha Vikas Yojana to provide free coaching facilities to eligible students belonging to SC, ST, OBC & EWS categories through various empanelled and prestigious institutes of Delhi. The Committee recommend that such schemes be vigorously advertised *via* print, electronic and social media so that the specific targeted youth groups are made well aware to avail such golden opportunities available for them. The Committee desire to be informed of the number of SC/ST students enrolled under this yojna to avail free coaching and their rate of success during the last 5 years *vis-a-vis* the institutes where free coachings are being offered.”

### **Reply of Government**

**1.12** In this regard, the Ministry have submitted the following reply:

“Regarding implementation of Jai Bhim Mukhyamantri Pratibha Vikas Yojna

- Scheme of “Jai Bhim Mukhyamantri Pratibha Vikas Yojna” was initially approved /initated during the financial year 2018-19.
- During 2019-20, certain amendments under the scheme regarding enhancement of maximum prescribed coaching fee and inclusion of students from ST/OBC/EWS Categories in addition to SC students have been approved.
- During the financial year 2018-19 , 4953 SC students had availed benefits under the scheme. Since in the year 2019-20, amendments under the scheme were under process, institutes were allowed to make enrollment of limited number of SC students under pre-revised

scheme. As such 2071 SC students have been benefited under the pre-revised scheme during the year 2019-20.

- At the end of financial year due to outburst of covid-19, schedule for conduct of various competitive exams, appearing of students in competitive exams and intimation regarding outcome have been effected substantially as students are appearing in the competitive exams after completion of coaching programme as per schedule of upcoming competitive exams. However as per information received, 374 students have qualified the various competitive exams under pre-revised scheme.
- After normalization of situation revised scheme commenced during the year 2021-22. However the coaching activity could barely start when there was another disruption in the form of closure of the institutes on account of the high level of pollution in Delhi. Further, it was followed by third wave of COVID which also forced the closure of the institutes for some more time. Department is collecting information directly from the students regarding their participation in coaching program & 8451 students have confirmed to availed coaching under the scheme during session 2021-22. As per information received, for the session 2021-22, 1303 students have qualified the NEET /JEE entrance Exams.
- Scheme is under revision since 2022-23, In order to overcome all the difficulties faced during implementation of the scheme and also to make it more effective, new revised guidelines of the scheme are being finalized with the provision of suitable incentive for the students on succeeding in competitive exams & provide intimation to the Department so as to ascertain actual outcome of the scheme.
- As recommended by the Hon'ble Parliamentary Committee on welfare of Scheduled Castes and Scheduled Tribes, after approval of new revised guidelines and empanelment of institutes, scheme would be vigorously advertised via print, electronic and social media so that the specific targeted youth groups are made well aware to avail such golden opportunities available for them.”

#### **Comments of the Committee**

**1.13 The Committee have been informed that Jai Bheem Mukhyamantri Pratibha Vikas Yojana is under revision since 2022-23 and that the new revised guidelines of the scheme are being finalized with the provision of suitable incentive for the students on succeeding**

**in competitive exams. The Committee would like to be apprised of the details of the newly revised guidelines and the time line, if any for the finalization of these guidelines alongwith affirmative measures taken by the government for the benefits of SCs/STs students.**

#### **Recommendation No. 6**

1.14 The Committee had recommended as under:

“The Committee have been informed that 25% seats are reserved for admission of EWS/DG category students from entry level class (nursery/pre-school, KG/Pre-primary and class-1/primary) upto 8<sup>th</sup> class in private Un-aided Recognize school in Delhi and that the reimbursement is being made to these private Schools for providing free education including uniform, text books and writing materials to students belonging to these categories by Government. The Committee would like to point out that though the students belonging to EWS/disadvantaged groups (SCs, STs & OBCs) are given chance to study in private un-aided schools yet they are forced to leave schools post qualifying of 8<sup>th</sup> standard. The private unaided schools only allow disadvantaged group of students including SCs and STs to continue upto only 8<sup>th</sup> standard commensurate to the mandate laid down by the Delhi government in this regard. It is evident that these schools are quick to exhibit their prejudice which stems from the fact that they are not committed to social justice and the greater welfare of the society by giving the disadvantaged children of SCs/STs a platform to alleviate their socio economic disparity. The Committee, therefore, recommend that Delhi Government should take cognizance of such callous attitude being meted out to the disadvantaged group of students including SCs and STs and bring such errant private schools to books for unceremoniously dropping students post qualifying 8<sup>th</sup> Standard. The Committee also recommend that reserved admission for EWS/DG category students should be extended from entry level/class 1/ primary upto 12<sup>th</sup> class in private unaided recognized schools in Delhi with full reimbursement of fee on actual basis. For the purpose, if necessary relevant amendments may be made by the Delhi Government by introducing a Bill in this regard. The Committee are of the firm view that with the effective steps, Government would be able to check on callous attitude of the private un-aided schools towards the weaker section of the society. The Committee would also like to be apprised of the effective steps taken by the Government in this regard.

It has also been informed by the Delhi Government that Department of Welfare of SC, ST & OBCs implements a scheme namely reimbursement of tuition fee to SC, ST & OBC Students

for class I to XII studying in various public schools of Delhi. The students are reimbursed the actual tuition fee paid by them to the extent of Rs. 48,000/- per annum. The Committee are of opinion that the amount of tuition fee being reimbursed is quite meager commensurate to the fee being charged by the private schools and thus needs to be suitably enhanced to keep it in line with inflation. The private schools, apart from tuition fee also charge various other charges from students under miscellaneous heads. It is the harsh truth that in the absence of full fee being reimbursed to them, private schools often cancel admissions of EWS/ SC, ST & OBCs leaving their future hanging in balance. The Committee, therefore, recommend that the reimbursement of fee be made on the basis of actual fee being charged by the private schools.”

### **Reply of Government**

1.15 In this regard, the Ministry have submitted the following reply:

- As per Section 12(1)(c) of RTE Act, 2009, all Private re- Unaided Recognized Schools are under obligation to 8th admit, at the entry level classes to the extent of at least size 25% of the strength of that class children belonging to Weaker Section and Disadvantaged Group in the neighborhood and provide free and compulsory elementary education till its completion.
- It is relevant to mention herein that the provisions of Section 12 (2) of RTE Act, 2009 read with Rule 11 (3) of Delhi Right of Children to Free and Compulsory Education Rules, 2011 provides that Private Unaided Recognized Schools which are already under obligation to provide free education to a specified number of children on account of it having received any land, building, equipment or other facilities, either free of cost or at a concessional rate, such school shall not be entitled for reimbursement to the extent of such obligation.
- That vide Notification dated 30.12.2023, it was directed by the DoE that all the private unaided recognized schools which were allotted land by DDA/other government agencies having land stipulation shall also admit children from economically weaker section in neighborhood to the extent of twenty percent (20%) in all fresh admissions made in other classes above the entry level.
- That in cases of private unaided recognized schools which are situated on private land or Govt. Land but do not have land obligation are only mandated to provide free education to the EWS/DG/CWSN Children till completion of elementary education. Thereafter, such children may take admission in govt. Schools of DoE, GNCTD, to complete school education after elementary education.

- That RTE Act 2009. is an Act enacted by the Parliament (Act 35 of 2009) on 26.08.2009. That to ensure that the Children belonging to EWS/DG and CWSN Category students admitted at entry level classes (Nursery/Pre-School, KG/Pre-Primary and Class 1/Primary) in Private Unaided Recognized Schools if allowed to continue the school post elementary education, an amendment in the RTE Act 2009 is required.
- In this regard, it is stated that Samagra Shiksha is a flagship programme under Ministry of Education. Its aim to providing inclusive and equitable quality education to all children under the Programmatic and Financial norms as per Frame Work.
- The Directorate of Education-Delhi allocates funds for the reimbursement of the expenditure incurred by private unaided schools for the enrolled students belonging to Economically Weaker Sections and Disadvantaged Groups under section 12(1)(C) of RTE Act 2009 as per Child Expenditure Rate approved by Finance Department, Govt. of NCT of Delhi.
- Samagra Shiksha-Delhi has the provision of Reimbursement towards expenditure incurred for 25% of admission made under 12(1)(C) of the RTE Act. 2009 upto Elementary Level (class 1 to VIII) in private Unaided Schools. The claim for reimbursement towards the expenditure is made in the proposal of Annual Work Plan & Budget and as per norms of Project Approval Board, Ministry of Education, only 20% fund of the total approved outlay is allotted, which is remitted to the Directorate of Education.

Under the present Scheme of Reimbursement of Tuition Fees for SC/ST/OBC categories students studying in class I to XII in schools recognized/affiliated with Dept. of Education, Govt. of NCT of Delhi / Municipal local bodies of Delhi, reimbursement of tuition fees, Lab fee and Library fees is given to students who scores 50% and above marks and are having not less than 70% attendance in the preceding year. (Maximum Reimbursement amount Rs. 48,000/- or actual paid whichever is less) is reimbursed. The Department will explore if the maximum limit of reimbursement can be increased by studying similar schemes from other states.

### **Comments of the Committee**

**1.16 The Committee would like to be apprised of the details of SC/ST students given admission under EWS category *vis-à-vis* unreserved category students alongwith the percentage of SC/ST students retained beyond 8<sup>th</sup> standard in private unaided recognized schools in Delhi during the last five years. The Committee may also be apprised about the**

number of SC/ST students who dropped out/ were transferred, post 8<sup>th</sup> Standard from private schools. The Committee strongly recommend for setting up of expert committee to study efficacy and implementation of RTE Act. 2009 free education in private schools. The Committee take a serious note that Government of NCT of Delhi in its reply have casually stated that in case of private unaided recognized schools which are situated on private land or Govt. Land but do not have land obligation are only mandated to provide free education to the EWS (Economically Weaker Section), DG (Disadvantaged Groups), and CWSN (Children with Special Needs) children, till completion of elementary education. Thereafter, such children may take admission in govt. Schools of DoE, GNCTD, to complete school education after elementary education. The Committee feels that the Government of NCT of Delhi should work on modalities for formulating policies whereby the children belonging to disadvantageous section including those from SC/ST category be ensured education in private schools post 8<sup>th</sup> standard.

The Committee would like to reiterate that the maximum reimbursement amount of tuition fee should be increased from Rs 48000 per annum and be given on actual paid basis and recommend that the students should be provided admissions in schools at zero balance till the scholarship money is received. The Committee have been informed that Directorate of Education Department will be exploring if the maximum limit of reimbursement can be increased by studying similar schemes from other States. In this regard, the Committee would like to recommend that Government of NCT of Delhi should constitute a high powered Committee for carrying out such study. The outcome of its study and recommendations regarding enhancement of limit of reimbursement of tuition fee be apprised to the Committee within three months of presentation of this Report.

#### **Recommendation No. 7**

1.17 The Committee had recommended as under:

“Upon careful analysis of the data provided w.r.t percentage of SC/ST among teaching/non teaching staff in colleges under the jurisdiction of Delhi Government, it is evident that requisite percentage of SCs and STs is not being met in these colleges especially among the teaching staff. It is pertinent to mention that Guru Gobind Singh Indraprastha University, a renowned university in Delhi, holds NIL percentage of SC/ST in teaching staff. Such figures present a grim picture and are a clear indicator of latent bias harbored against the individuals belonging to

SC/ST categories. The Committee are perplexed to note that in metro cities like Delhi where trained professionals of SC/ST categories are in abundance, there is surprisingly a shortfall under the teaching posts earmarked for SCs/STs. The Committee would like to be apprised of the reasons for such shortfall and remedial action being taken thereon. The Committee urge the Delhi Government to seek corrective action taken report from various colleges under its jurisdiction in this regard and submit to the Committee within a period of 3 months.”

**(NSIT)**

8. The National Law university delhi has provided reservations for SC/ST at all level that is Assistant Professor, Associate Professor and Professor. The university had recruited some teachers from SC/ST category in 2016 through the special recruitment drive. The university have faculty members from SC/ST categories.

Further, Vacancies notified in due course of time as per requirement by providing reservation for various categories as per rules.

**(National Law University)**

9. It has been clarified by the Guru Gobind Singh Indraprastha University (GGSIPU) that there are 27 SCs and 05 STs teaching staff are in positioned out of a total 240 teaching posts. It means that representation of SC & ST in teaching staff in GGSIPU is 11% and 2% respectively. Further, the university is in the process of filling up all vacant positions as per roaster. Recently

university has conducted interviews for the post of Assistant Professors on regular basis only for SC/ST/OBC/EWS as per roster point.

**(GGSIPU)**

10. As far as Dr.B.R.Ambedkar University Delhi is concerned, the University is providing reservations to SCs and STs in teaching recruitments as per Govt. of India/ Govt. of NCT of Delhi/UGC guidelines.

Further it is submitted that out of 225 teaching posts, 32 posts have been earmarked for SC category and 15 posts have been have been earmarked for ST category. Out of these earmarked posts, 18 posts reserved for SCs and 05 posts for STs have been filled till date.

Further, the University has advertised 09 teaching posts earmarked for SCs and 08 posts for STs. The recruitment process is undergoing and is likely to be completed shortly.

### **Comments of the Committee**

**1.19 The Committee note that implementation of reservation for both non-teaching and teaching staff is under review in respect of IIT, Delhi and DTU. The Committee may be provided with cogent reasons for the same and corrective measures taken or to be taken by Delhi Government in this regard. The Committee also note that in case of DTTE, the recruitment of teaching posts was kept on hold. The Committee would like to be apprised of the reasons for the same and whether the recruitment has resumed or not.**

**From the replies furnished by the Ministry, the Committee observe that the representation of SC & ST in teaching staff in GGSIPU is 11% and 2% respectively which is below the mandatory requirements. The Committee would like to be apprised of the measures taken or proposed to be taken to achieve the requisite SC/ST representation in this regard. Further, it has been informed that GGSIPU has conducted interviews for the post of Assistant Professors on regular basis only for SC/ST/OBC/EWS as per roster**

point. The Committee would like to know the detailed reasons along with corrective measures taken in this regard.

The Committee also note that Dr.B.R. Ambedkar University had advertised 09 teaching posts earmarked for SCs and 08 posts for STs. The Committee would like to be apprised about the outcome of the same.

#### **Recommendation No. 8**

1.20 The Committee had recommended as under:

“The Committee note that in the year 2022, 955 flats were allotted to SCs and STs. In this regard, the Committee would like to be apprised of the category of such flats allotted to SC/ST individuals *vis-a-vis* possession letters of the flats given to them and also whether these flats are equipped with basic amenities. They would also like to know whether these flats were allotted under any special schemes and whether there have been any instances of rejection post allotment. The Committee in view of the financial position of SC/ST and other allottees under EWS category who could not take possession of flats due to various reasons, recommend for refunds of deposit.”

#### **Reply of Government**

1.21 In this regard, the Ministry have submitted the following reply:

“DDA has allotted 955 Flats to SCs/STs in DDA Special Housing Scheme 2021. The Flats allotted are of HIG/MIG/LIG/Janta/EWS Category and 233 no. of possession letters have been issued to the allottees who have submitted the payment and completed the codal formalities as per the DDA guidelines. The flats allotted are equipped with all the basic amenities such as STP, Parks/Community Hall, Gated community etc.

The flats were offered in DDA Special Housing Scheme-2021 which was open to general public and in the scheme reservations were provided to the SC/ST categories as per the scheme guidelines.

Further, the scheme has an option by the allottees to surrender the flats, which they can exercise.”

**(Vide MHA O.M. No. 1612/08/2023-Delhi-I dated 13.11.2024)**

#### **Comments of the Committee**

**1.22 The Committee note that out of the 955 flats allotted to SCs/STs under the DDA Special Housing Scheme, 2021, the possession letter for only 233 flats have been issued.**

**The Committee would like to be apprised about the status of remaining 722 flats; whether the SC/ST allottees have been issued possession letter or has their allotment been cancelled due to delay in payment or non-completion of other formalities. The Committee would like to know whether the requisite representation of 15% and 7.5% for SCs and STs was followed by DDA while dispensing allotment in the DDA Special Housing Scheme, 2021. The Committee may also be informed as to whether the flats earmarked for SCs/STs that remained are /left unsold or re-advertised with reservation provisions or are allotted to others under unreserved category.**

#### **Recommendation No. 10**

1.23 The Committee had recommended as under:

“The Committee note that cases registered under the SC/ST PoA Act 1989 have been on rise in Delhi. The Committee are dismayed to note that the number of cases, pending trial at the end of each year has been steadily increasing since 2018 from 344 to 487 cases pending at the end of year 2022. The Committee would like to flag the issue that cases where justice is being delayed will only prolong the agony being faced by the aggrieved SC/ST individuals. As per the data furnished by the Delhi government, the number of people convicted under SC/ST PoA Act 1989 is rather negligible, while on the other hand, the number of acquittals has been on rise. The Committee would like to be apprised of the reasons for such variation. They may categorically be informed of the reasons for pendency of cases awaiting trial, despite being 11 Special courts to fast track these cases. The Committee would also like to know about the sincere efforts made by the prosecution in terms of investigation of cases, arguing, conclusive proof and effective hearing in court and disposal status of such cases in each of these special courts and the reasons for pendency of cases.

The Committee are of the opinion that Delhi, being a metropolitan city, must curb the cases of latent bias and caste discrimination instances amounting to atrocity which are increased throughout the city. There are cases which go unreported and it is disheartening to see that amongst the cases which are being registered, some are not charge sheeted. The Committee may also be informed of the reasons for the same.”

#### **Reply of Government**

1.24 In this regard, the Ministry have submitted the following reply:

“The cases of SC/ST Act are being frequently registered on receipt of the complaints of atrocities. The cases registered under the SC/ST (POA) Act, 1989 and PCR Act, 1955 are being

investigated fairly and unprejudiced. All corroborative evidences have been brought on the file. The investigation of the cases registered under the SC/ST (POA) Act, 1989 and PCR Act, 1955 are being done. The concerned Staff is also briefed line to line to this in this regard to comply with the instruction meticulously.

1. There are various factors which lead to increase of atrocity cases against SC/ST individuals and a steady rise in the registration of the cases due to the increase in atrocity incidents faced by the members of SCs and STs. Also the member of SCs/STs is vigilant about their rights and takes legal course as and when they are humiliated by other persons.

2. There are various factors which leads to pendency/acquittal of cases in special courts:-

- Special courts also conduct the trial of other cases under general criminal law apart from SC/ST cases which puts an additional burden on the special court.
- Frequent adjournments sought by the Ld. Counsels for the parties on one pretext or the other.
- Public witnesses do not come forward to depose in the manner favorable to the victims and at the time they become uninterested and do not support the case of prosecution. Moreover, the witnesses are in those cases known to the victims and their evidence is not beyond suspicion.
- The witnesses depose contrary statements in the court, turn hostile and their testimonies remain uncorroborated and inconsistent with their previous statements.
- In most of the cases, complaint/victim settles his/her dispute(s) with the accused out of court and turns hostile to the case of prosecution during the trial.
- In number of cases, there is substantial delay on lodging of complaint and FIR on the part of complaint/victim in making the complaint before the police or the court.
- Poor pairvi (follow-up) by the investigation agency/victims or the persons interested in them.
- Delay in filling the charge sheet in cases of non- arrest of accused by the investigating agency in non-compliance of the mandate in SC/St atrocity act.
- Frequent transfers of the officers relating to the investigation and prosecution agencies.
- The cases of SC/St are concluded with the acquittal because of non-fulfillment of statutory requirements of “within public view” and “within public places” where the casteist remarks were passed.

- Initial complaint lodged by complaint/victim found lacks of material particular.”

(Vide **MHA** O.M. No. 1612/08/2023-Delhi-I dated 13.11.2024)

#### **Comments of the Committee**

**1.25 The Committee is of unanimous opinion that the special courts are mandated/set up for speedy disposal of atrocity cases and the Ministry should ensure that these special courts are not burdened by other general criminal cases. The cases of atrocity while at hearing stage should be dealt with heavy hand and frequent adjournment of such cases must be restrained. The Committee would also like to stress that the Prosecution and Delhi Government should also ensure that the witnesses in atrocity cases are provided with due immunity in order to avoid their turning hostile. The Committee further recommend that investigating agencies should also be sensitized that follow up in cases of atrocity is of utmost importance. The onus of arrest of the accused and timely filling of charge sheet in the matter falls upon the investigating agency. Therefore, it is recommended that prompt action in such cases be taken without delay and robustness on part of investigating agency should be ensured.**

**The Committee reiterate that Delhi Police should make concerted efforts in the matter and develop sturdy system whereby prompt cognizance of cases of atrocities is followed by dedicated investigation and display of alacrity in chargesheeting the accused without delay which would ensure equitable justice to aggrieved SC/ST complainants,**

#### **Recommendation No. 12**

**1.26 The Committee had recommended as under:**

“The Committee have been informed that in other states, a large number of SCSP schemes with huge outlays are included in the agricultural sector while in Delhi, the allocation under the agricultural sector constitutes a minor portion of the budget as the scope for agriculture is limited here. In this regard, the Committee recommend that a survey of SC driven schemes may be explored and carried out among various sectors. The Committee also desire the Government of NCT of Delhi to consider re-allocation of funds among various schemes under the SCSP which have seen increased SC beneficiaries over the years.”

#### **Reply of Government**

**1.27 In this regard, the Ministry have submitted the following reply:**

"In this connection, it is to inform that the Agriculture Unit, Development Department, Govt. of NCT of Delhi, is implementing a State Sector Scheme namely "Farm Advisory Integrated Agriculture Development including Extension Education (SCSP) Non-Plan etc. under which following items are provided to the SC beneficiary of Delhi, Maximum up to Rs. 5,000/- per beneficiary i.e.

1. Metallic Storage Bin 10 Quintal Capacities.
2. Hand Operated Chaff cutter/Hand Operated Insecticide, Sprayer /Duster.
3. Agriculture inputs such as Seed, Fertilizer / Insecticide, Pesticide etc.

The assistance under the scheme was last enhanced during the year 2007, from Rs. 2500/- to 5000/- by the Finance Department, Govt. of NCT of Delhi. The input cost provided to the beneficiaries under the scheme has been increased drastically due to inflation. In spite of this no beneficiary comes forward to accept the assistance in NCT of Delhi. The proposal for enhancement of assistance under the scheme for existing Rs. 5000/- to 10,000/- was sent to the Finance Department, Govt. of NCT of Delhi. The Finance Department has raised some objections. Therefore the proposal is being again sent to Finance Department for enhancement of assistance under the scheme.

It is also informed that area under Agriculture is going to shrink day by day, in Delhi due to fast urbanization/ Industrialization and use of land for other purposes, therefore, the Agriculture Activity in NCT of Delhi is very limited. The fund under the scheme during the year 2023-24 is Rs. 6.67 lakh which is sufficient. Keeping in view the present situation of agriculture in NCT of Delhi. The SC driven schemes will be studied/examined in consultation with Planning Department, GNCTD.

(Vide MHA O.M. No. 1612/08/2023-Delhi-I dated 13.11.2024)

#### **Comments of the Committee**

**1.28 The Committee have been informed that there are hardly any takers for agricultural related financial assistance in Delhi. Further it has been informed that the SC driven schemes will be studied/examined in consultation with Planning Department, GNCTD. The Committee would like to be apprised of the outcome of such studies within three months of presentation of this Report.**

#### **Recommendation No. 17**

1.29 The Committee had recommended as under:

“From the reply of the GNCT of Delhi, the Committee note that motorable access is not available directly from Charak Sadan Society to DG-2 Block Vikaspuri via the MCD Primary school as the MCD Primary School Building has been reconstructed in 2017. The Committee would like to stress that due to this, SC residents in the vicinity and others are being deprived of direct road access. The Committee would like to suggest the Delhi Government to examine the matter in detail and come forward with a plausible solution in public interest after discussion with the Department of Education in this regard.”

### **Reply of Government**

1.30 In this regard, the Ministry have submitted the following reply:

“In this regard, it is submitted that there is MC Primary School, Budhella Village is running since 1948 under the jurisdiction of the Education Department, West Zone and currently 591 Children are studying in the school, age group 4 to 11 years. As per the report of Principal Concerned that the motorable access cannot be provided from the school to any society because the safety and security of Kids/Students of the school is the responsibility of management of the schools.

It is also submitted that the school premises cannot be used for any purpose for non academic activities or commercial activities for any reason (HC).

Therefore, motorable access cannot be provided directly or indirectly via School premises of MCPS Budhella Village for Charak Sadan Society to DG-2 Block Vikaspuri in the largest interest of the security and safety of the students.”

**(Vide MHA O.M. No. 1612/08/2023-Delhi-I dated 13.11.2024)**

### **Comments of the Committee**

**1.31 The Committee have been informed that the motorable access cannot be provided from the school to any society because the safety and security of Kids/Students of the school is the responsibility of management of the schools. The Committee would, therefore like to direct Government of NCT of Delhi to form a Committee to examine the possibility of providing motorable access from Charak Sadan Society to DG-2 Block Vikaspuri in public interest benefitting large number of residents.**

### **Recommendation No. 18**

1.32 The Committee had recommended as under:

“The Committee during their local study visit discussed the issue brought forth by the SC/ST teachers’ forum regarding reservation in promotion among various category of teachers till the level of Vice Principal. The Committee would like to invite the attention of Delhi Government towards DOPT OM No.36012/ 16/2019-Esttt. (Res.) dated 12.04.2022 which *inter alia* stipulates reservation in promotions in higher posts. The Committee would like to recommend the Delhi Government to take cognizance of the same and put together a mechanism in place to ensure implementation of the said DOPT OM scrupulously especially in the matter of promotion of school teachers. The Committee would also like to be made aware of the details regarding the promotions made among various category of teachers during the last 3 years viz., details of roster prepared for such promotions and criteria set for the promotion of teachers among various categories. The Committee may also be informed regarding the corrective actions taken by Delhi Government/Department of Education w.r.t to memoranda already submitted by the various SC/ST Association/Forum.”

### **Reply of Government**

1.33 In this regard, the Ministry have submitted the following reply:

“1. In service matters, including reservation in civil posts, the Delhi Government, being Union Territory / National Capital Territory, follows the OMs/instructions etc. issued by Govt. of India from time to time.

DoP&T's O.M. dated 12.04.2022 on the subject - "Reservation in promotions- procedure to be followed prior to effecting reservation in the matter of promotions by all departments of the Central Government" has already been circulated by the Services Department vide letter dated 05.05.2022 to all Head of Departments/ Autonomous Organizations/ PSUS for adherence and strict compliance.

3. Replies from the universities/higher education institute under Delhi Govt:

(i) It is submitted that various colleges in their reply has submitted that the faculty members of SC/ST Categories are promoted as per UGC/University of Delhi promotion rules/roster.

(ii) Further, Universities has submitted that the faculty members are promoted as per the Career Advancement Scheme (CAS) notified vide UGC regulations on Minimum qualification for appointment of teachers and other academic staff in universities and colleges and measures for the maintenance of standards in Higher Education.

**(DHE)**

(iii)The University follows Career Assured Scheme (CAS) as per UGC guidelines for teaching staff.

**(IGDTU)**

(iv)The University follows Career Assured Scheme (CAS) as per UGC guidelines for teaching staff.

**(DTU)**

(v)In the matter of Promotion, CAS promotion policy of UGC/AICTE is being followed for teaching staff and for non-teaching staff GOI/GNCTD policy is be followed in letter & spirit.

**(DPSRU)**

(vi)The roster is maintained for direct recruitment and promotions of teaching/non teaching posts in the University as per DOPT Model Roster of Reservation with reference to posts for Direct recruitment on All India Basis by Open Competition.

**(NSIT)**

(vii) NLU Delhi has adopted UGC Regulations for appointment and promotions of teachers in the university. **Comments of the Committee**

1.34 The Committee note that the representation submitted by the SC/ST teachers' forum to the Hon'ble Committee during their local study visit, was forwarded to the HODs of the concerned Departments of Government of NCT of Delhi for necessary action. The Committee would like to be made aware of the action taken replies received in this regard. The Committee note that the figures pertaining to promotion from the post of TGT to PGT during the years 2019-2021 are inadequate w.r.t to Scheduled Tribes. The Committee may be apprised of the reasons for the same. Further the figures regarding promotion from the post of Assistant teachers to TGT/TGT (MIL) should also indicate the number of SC/ST teachers promoted *vis-à-vis* unreserved category teachers to provide clear picture in the matter.

The Committee note that there are 385 vacancies of SCs and 165 vacancies of STs reserved for promotion from Assistant teachers to TGT/TGT (MIL) in Directorate of Education. The Committee would categorically like to be informed about the status of these vacancies and the number of SC/ST teachers promoted against these posts. The Committee further note that in the posts of Domestic Science Teacher (Group B) and Lab Assistant (Group C) also the representation of SCs/STs in the promotion is either negligible or quite low as against the requisite percentage. The Committee would like to be made aware of the reasons for the same and the remedial action being taken by Delhi Government to ensure adequate representation of SCs/STs in these promotional posts.

The Ministry in their written replies has stated that DoP&T's O.M. dated 12.04.2022 on the subject - "Reservation in promotions- procedure to be followed prior to effecting reservation in the matter of promotions by all departments of the Central Government" has already been circulated by the Services Department vide letter dated 05.05.2022 to all Head of Departments/ Autonomous Organizations/ PSUS for adherence and strict compliance. The Committee are of firm opinion that simply circulating DOPT OM to various Departments/ Autonomous Organizations/ PSUS by service Department is just not enough. The Committee recommend that the Government of NCT of Delhi should seek quarterly report from various Departments/ Autonomous Organizations/ PSUS for strict

compliance in the matter. The Committee may be apprised about the outcome in this regard.

## CHAPTER – II

### RECOMMENDATIONS/OBSERVATIONS WHICH HAVE BEEN ACCEPTED BY THE GOVERNMENT

#### Recommendation No. 2

The Committee had recommended as under:

“The Committee are given to understand that a scheme namely ‘Financial Assistance for SC Students Pursuing Higher Studies Abroad’ has been launched by Govt of NCT of Delhi in Year 2019-20 which offers a financial assistance of Rs. 5 lakhs per student for a period of 2 years. The Committee note that the said scheme has had few takers only, keeping in view the fact that a parallel scheme is being implemented by the Government of India with higher quantum of assistance. The Committee are baffled to note that a sizeable population of GNCT of Delhi belonging to SC category prefer the central scheme to this scheme of GNCT of Delhi. The Committee would, therefore, like to recommend the GNCT of Delhi to review their scheme and enhance their financial assistance from 5 to 20 lakh with extension of the period of assistance for a minimum term of 5 years or till the time the beneficiaries complete their study. Delhi being the capital of the Country should set forth an example by launching schemes to set example for other states like Telangana Government which had introduced Ambedkar Overseas Vidhya Nidhi scheme in the year 2013-14 which sanctions an amount of Rs. 20.00 lakhs per student as grant to students studying P.G courses overseas.”

#### Reply of Government

2.2 In this regard, the Ministry have submitted the following reply:

“The Department of SC/ST/OBC has revised its current scheme (**Approved in 2019**) of providing Financial Assistance to SC/ST student for pursuing higher studies in abroad.

To make the scheme more attractive, the financial support has been proposed from the present Rs. 5 Lakh per annum to Rs. 12 Lakh per annum for tuition fees against the current scheme of Rs. 5 Lakh Per annum for PG courses (up to maximum two years).

For the Ph.D Programmes in the proposed draft scheme enhancement of Rs. 10 Lakh per annum for tuition fees has been proposed against the current maximum sealing of Rs. 5 Lakh per annum.

Further, to relate the scheme with the name of Bharat Ratna Dr. B. R. Ambedkar and to capture the inspiration from the life of Dr. B. R. Ambedkar who had always emphasized on the importance of education for social economic and political transformation, it has been proposed in the revised draft Scheme for additional financial assistance to students who have secured admission in Columbia University (USA) and London School of Economics, (UK) from where Dr. B. R. Ambedkar had also studied.

For the students securing admission in these two Universities/Institute, in the proposed scheme, they will also be provided with maintenance allowance of USD 12,000/- or 8,000/- GBP per Annum along with the full financial assistance for actual fee/tuition fee.

The scheme can be availed by the students for masters level Phd courses, abroad in top 300 QSWR institution/universities and London School of Economics (LSE) and Columbia University. The revised scheme is yet to be placed before the Cabinet for consideration and approval.”

#### **Comments of the Committee**

**2.3 Please see Para No. 1.10 of Chapter I**

#### **Recommendation No. 3**

**2.4** The Committee had recommended as under:

“The Committee observe that over the years, the number of SC students under the ambit of Dr. B. R. Ambedkar meritorious award /scheme for SC/ST/OBC students have been sparse. The Committee would like to be apprised of the details and the amount of scholarship disbursed during the year 2022-23. They would like to recommend that the scheme should be widely publicized so that more and more SC/ST/OBC students could get aware of the scheme and avail financial benefits of the scholarship. For this purpose, the onus should be entrusted to the Delhi Government school bodies so as to ensure that SC/ST/OBC students enrolled in various Delhi Government schools could be aware of such schemes and timely apply to get the benefit. This would not only provide much needed financial impetus to needy SC/ST/OBC students but also enable them to get access to higher education and make up career prospect.”

#### **Reply of Government**

**2.5** In this regard, the Ministry have submitted the following reply:

It is submitted that the Department for the Welfare of SC/ST/OBC, GNCTD is the Nodal department of the Dr. B. R. Ambedkar State Toppers Award Scheme for SC/ST/OBC students. The applicants apply under the above said schemes and application is verified by the Institute/College at Level-1 and subsequently at Level-II i.e. (Final) verification is done by the Directorate of Higher Education/Technical Education.

An Award of Rs. 25000/- is given to each of the toppers in each discipline after completion of degree course in each university.

During the year **2022-23**, the application received and disbursed

| Appl. Received | Appl. Approved         | Amt. disbursed |
|----------------|------------------------|----------------|
| 50             | 14(Total)<br>09(SC/ST) | 3.5 Lakh       |

The university shall ensure that the Dr. B.R. Ambedkar Meritorious award/scheme for SC/ST/OBC is widely publicized across all campuses of the university timely to enable more and more students to get the benefit.

The scheme is widely published time to time displaying notifications through CUMS notice board for the information among the students.

#### **Recommendation No. 5**

2.6 The Committee had recommended as under:

“The Committee have been informed that the Department of Welfare of SCs, STs & OBCs of Govt. of NCT of Delhi is implementing Jai Bheem Mukhyamantri Pratibha Vikas Yojana to provide free coaching facilities to eligible students belonging to SC, ST, OBC & EWS categories through various empanelled and prestigious institutes of Delhi. The Committee recommend that such schemes be vigorously advertised *via* print, electronic and social media so that the specific targeted youth groups are made well aware to avail such golden opportunities available for them. The Committee desire to be informed of the number of SC/ST students enrolled under this yojna to avail free coaching and their rate of success during the last 5 years *vis-a-vis* the institutes where free coachings are being offered.”

## **Reply of Government**

2.7 In this regard, the Ministry have submitted the following reply:

“Regarding implementation of Jai Bhim Mukhyamantri Pratibha Vikas Yojna

- Scheme of “Jai Bhim Mukhyamantri Pratibha Vikas Yojna” was initially approved /initiated during the financial year 2018-19.
- During 2019-20, certain amendments under the scheme regarding enhancement of maximum prescribed coaching fee and inclusion of students from ST/OBC/EWS Categories in addition to SC students have been approved.
- During the financial year 2018-19 , 4953 SC students had availed benefits under the scheme. Since in the year 2019-20, amendments under the scheme were under process, institutes were allowed to make enrollment of limited number of SC students under pre-revised scheme. As such 2071 SC students have been benefited under the pre-revised scheme during the year 2019-20.
- At the end of financial year due to outburst of covid-19, schedule for conduct of various competitive exams, appearing of students in competitive exams and intimation regarding outcome have been effected substantially as students are appearing in the competitive exams after completion of coaching programme as per schedule of upcoming competitive exams. However as per information received, 374 students have qualified the various competitive exams under pre-revised scheme.
- After normalization of situation revised scheme commenced during the year 2021-22. However the coaching activity could barely start when there was another disruption in the form of closure of the institutes on account of the high level of pollution in Delhi. Further, it was followed by third wave of COVID which also forced the closure of the institutes for some more time. Department is collecting information directly from the students regarding their participation in coaching program & 8451 students have confirmed to availed coaching under the scheme during session 2021-22. As per information received, for the session 2021-22, 1303 students have qualified the NEET /JEE entrance Exams.
- Scheme is under revision since 2022-23, In order to overcome all the difficulties faced during implementation of the scheme and also to make it more effective, new revised guidelines of the scheme are being finalized with the provision of suitable incentive for the students on

succeeding in competitive exams & provide intimation to the Department so as to ascertain actual outcome of the scheme.

- As recommended by the Hon'ble Parliamentary Committee on welfare of Scheduled Castes and Scheduled Tribes, after approval of new revised guidelines and empanelment of institutes, scheme would be vigorously advertised via print, electronic and social media so that the specific targeted youth groups are made well aware to avail such golden opportunities available for them.”

### **Comments of the Committee**

#### **2.8 Please see Para No. 1.13 of Chapter I**

#### **Recommendation No. 7**

#### **2.9 The Committee had recommended as under:**

“Upon careful analysis of the data provided w.r.t percentage of SC/ST among teaching/non teaching staff in colleges under the jurisdiction of Delhi Government, it is evident that requisite percentage of SCs and STs is not being met in these colleges especially among the teaching staff. It is pertinent to mention that Guru Gobind Singh Inderprasth University, a renowned university in Delhi, holds NIL percentage of SC/ST in teaching staff. Such figures present a grim picture and are a clear indicator of latent bias harbored against the individuals belonging to SC/ST categories. The Committee are perplexed to note that in metro cities like Delhi where trained professionals of SC/ST categories are in abundance, there is surprisingly a shortfall under the teaching posts earmarked for SCs/STs. The Committee would like to be apprised of the reasons for such shortfall and remedial action being taken thereon. The Committee urge the Delhi Government to seek corrective action taken report from various colleges under its jurisdiction in this regard and submit to the Committee within a period of 3 months.”

### **Reply of Government**

#### **2.10 In this regard, the Ministry have submitted the following reply:**

“As per information given by **Directorate of Higher Education, GNCTD / Department of Training and Technical Education, GNCTD**, the position with respect to SC/ST teaching/non-teaching staff is as under:

1. For the non-teaching/teaching staff, the implementation of reservation is under review.

### **Comments of the Committee**

**2.11 Please see Para No. 1.19 of Chapter I**

#### **Recommendation No. 8**

**2.12** The Committee had recommended as under:

“The Committee note that in the year 2022, 955 flats were allotted to SCs and STs. In this regard, the Committee would like to be apprised of the category of such flats allotted to SC/ST individuals *vis-a-vis* possession letters of the flats given to them and also whether these flats are

equipped with basic amenities. They would also like to know whether these flats were allotted under any special schemes and whether there have been any instances of rejection post allotment. The Committee in view of the financial position of SC/ST and other allottees under EWS category who could not take possession of flats due to various reasons, recommend for refunds of deposit.”

### **Reply of Government**

2.13 In this regard, the Ministry have submitted the following reply:

“DDA has allotted 955 Flats to SCs/STs in DDA Special Housing Scheme 2021. The Flats allotted are of HIG/MIG/LIG/Janta/EWS Category and 233 no. of possession letters have been issued to the allottees who have submitted the payment and completed the codal formalities as per the DDA guidelines. The flats allotted are equipped with all the basic amenities such as STP, Parks/Community Hall, Gated community etc.

The flats were offered in DDA Special Housing Scheme-2021 which was open to general public and in the scheme reservations were provided to the SC/ST categories as per the scheme guidelines.

Further, the scheme has an option by the allottees to surrender the flats, which they can exercise.”

#### **Recommendation No. 11**

2.15 The Committee had recommended as under:

“The Committee note that Govt. of NCT of Delhi is implementing a skill training scheme in collaboration with the Apparel Training and Design Centre (ATDC) and the National Small Industries Corporation (NSIC). The Committee are happy to note that the number of individuals receiving skill training is steadily on rise. They desire to be informed of the number of SC/ST individuals among them who have received training. The Committee would further like to stress that training being imparted as such is meaningless unless any provision of employment avenues is provided for. The Committee, therefore, recommend that the trained individuals including

SC/ST persons should be provided with all the economic and technical help in case they desire to set up their own business ventures. The Committee also recommend the Delhi Government to organize job fairs or employment camps for providing placement to such trainees so that they become self-reliant in their lives.”

### **Reply of Government**

2.16 In this regard, the Ministry have submitted the following reply:

“The Corporation (DSFDC) under administrative control of Department for the Welfare of SC/ST/OBC, GNCTD has been implementing Vocational Training Programme since the Financial year 2008 onwards and till now has imparted vocational training and to good number of candidates under different courses.

The programme is to being implemented in conjunction with the training partners viz. National Small Industries Corporation (NSIC) and Apparel Trade and Design Center (ATDC).

During the financial year 2021-22 the Corporation had imparted Vocational Training to 823 candidates, 489 candidates belonging to the target by ATDC and 334 candidates through NSIC.

During the current financial year i.e. 2022-23, 1614 candidates in total are undergoing vocational training (i.e. 1157 through ATDC and 457 through NSIC).

The Corporation had imparted Vocational Training to 389 Scheduled Castes candidates under different courses offered by ATDC and NSIC respectively during the preceding financial year 2021-21, whereas during the current financial year 2022-23 408 trainees of Scheduled caste candidates are undergoing Vocational Training through ATDC and 250 trainees from NSIC respectively.

Apart from this the Corporation has formed separate monitoring Committees to see the smooth functioning of the Vocational Training Programmed offered by NSIC and ATDC. The Committee members inform the trainees undergoing vocational training at individual NSIC and ATDC centers at regular intervals about the welfare schemes being implemented by the Corporation exclusively for the target groups and motivate and encourage them all to come forward and seek the benefit of welfare schemes formulated and being implemented by the Corporation exclusively for the target groups.

Delhi SC/ST/OBC/Minorities and Handicapped Finance and Development Corporations being a welfare organization is deeply committed to assist the target groups by extending concessional

loans for self-employment activities and to enable them to become self-reliant and earn their living with dignity and honor.”

### **Recommendation No. 12**

2.17 The Committee had recommended as under:

“The Committee have been informed that in other states, a large number of SCSP schemes with huge outlays are included in the agricultural sector while in Delhi, the allocation under the agricultural sector constitutes a minor portion of the budget as the scope for agriculture is limited here. In this regard, the Committee recommend that a survey of SC driven schemes may be explored and carried out among various sectors. The Committee also desire the Government of NCT of Delhi to consider re-allocation of funds among various schemes under the SCSP which have seen increased SC beneficiaries over the years.”

### **Reply of Government**

2.18 In this regard, the Ministry have submitted the following reply:

“In this connection, it is to inform that the Agriculture Unit, Development Department, Govt. of NCT of Delhi, is implementing a State Sector Scheme namely “Farm Advisory Integrated Agriculture Development including Extension Education (SCSP) Non-Plan etc. under which following items are provided to the SC beneficiary of Delhi, Maximum up to Rs. 5,000/- per beneficiary i.e.

1. Metallic Storage Bin 10 Quintal Capacities.
2. Hand Operated Chaff cutter/Hand Operated Insecticide, Sprayer /Duster.
3. Agriculture inputs such as Seed, Fertilizer / Insecticide, Pesticide etc.

The assistance under the scheme was last enhanced during the year 2007, from Rs. 2500/- to 5000/- by the Finance Department, Govt. of NCT of Delhi. The input cost provided to the beneficiaries under the scheme has been increased drastically due to inflation. In spite of this no beneficiary comes forward to accept the assistance in NCT of Delhi. The proposal for enhancement of assistance under the scheme for existing Rs. 5000/- to 10,000/- was sent to the Finance Department, Govt. of NCT of Delhi. The Finance Department has raised some objections. Therefore the proposal is being again sent to Finance Department for enhancement of assistance under the scheme.

It is also informed that area under Agriculture is going to shrink day by day, in Delhi due to fast urbanization/ Industrialization and use of land for other purposes, therefore, the Agriculture Activity in NCT of Delhi is very limited. The fund under the scheme during the year 2023-24 is Rs. 6.67 lakh which is sufficient. Keeping in view the present situation of agriculture in NCT of Delhi. The SC driven schemes will be studied/examined in consultation with Planning Department, GNCTD.

### **Comments of the Committee**

**2.19 Please see Para No. 1.28 of Chapter I**

#### **Recommendation No. 14**

2.20 The Committee had recommended as under:

“During the local visit of the Committee to Delhi Government office, it was informed that entire process of issuing caste certificate will be made online rendering the entire process a faceless exercise. The Committee are of considered opinion that this is an important step in simplifying the procedure and would remove the unnecessary hiccups being faced by the SC/ST applicants while obtaining their caste certificates. In their opinion, it need a stringent monitoring to refrain the middlemen and curb the red tapism associated with the process. The Committee further desire that Delhi Government may explore the possibility to link caste certificate with Aadhar card. The Committee would like to be apprised of the progress made in the matter along with a clear time line by which the entire process will be made operational online.”

### **Reply of Government**

2.21 In this regard, the Ministry have submitted the following reply:

“Facility for applying and issuance of various certificates including for SC/ST certificate is being done in Online mode through the e- district portal of the Revenue department. Timeline for issuance of certificate are provided on the website, as per the website of Revenue Department. However, to ascertain the authenticity/ genuineness of the documents uploaded by the applicant on the e- district portal applicant has to visit just once for the verification of the documents.”

## **Recommendation No. 15**

2.22 The Committee had recommended as under:

“The Committee note that apart from one complaint against obtaining fake SC certificate and another case that is *sub judice* in the matter, there have been no other cases related to fake SC certificate in GNCT of Delhi during the last 5 years. The Committee while appreciating the efforts desire to know the progress made in the aforesaid ongoing cases. They would also like to be apprised of the status of proceedings against the officials of Delhi Jal Board for obtaining employment on the basis of fake ST certificate. The Committee would like to emphasize that all precautionary measures should be taken by all departments under Delhi Government at entry level itself by way of departing training to the officials dealing with recruitment procedure to be extra vigilant while examining the caste certificate. The certificates should invariably be verified from appropriate authorities within the specified time as per latest OM No. 41034/2/2022-Estt. (Res-I) dated 21.10.2022 issued by DoPT. The Committee recommend that guilty person should not only be dismissed from the service but FIR should also be registered against him/her to refrain such errant persons from getting involved in such illegal activities.”

## **Reply of Government**

2.23 In this regard, the Ministry have submitted the following reply:

“Details of 34 cases regarding submission of fake ST caste certificate by the officials of DJB at the time of their appointment was provided vide letter no. DJB/Vig./02/2023/1625 dated 14.04.2023. Present status of said 34 cases is attached as **Annexure-III of Point No.15**

In addition to above, one more employee namely Sh. Rabindra Kumar, shift in-charge has been issued charge sheet on 24.07.2023 for obtaining job in DJB on the basis of fake ST caste certificate. His name is mentioned at Sr. no. 35 of **Annexure-III of Point No.15** However, caste certificates are verified in a routine manner.

However, in the "Offer of Appointment" which is issued to the candidates, selected by Delhi Police, it is clearly mentioned that the appointment is provisional and is subject to verification of his/her educational qualification/ SC/ST/ OBC/EWS certificate etc. Delhi Police meticulously follow the directions issued vide O.M. No.41034/2/2022- Estt. (Res.-I) dated 21.10.2022. In case, during the process of verification, it is reveals that any of such documents/certificates is false, necessary pursuant action against such appointee is taken by the Competent Authority

concerned, and in the event of forgery of document(s), in addition thereto, a criminal case is also registered against him/her.”

#### **Recommendation No. 16**

2.24 The Committee had recommended as under:

“From the reply of the GNCT of Delhi, the Committee note that the construction work of cultural centre at Vikaspuri is pending since 2019 and stated to be completed within a period of 18 months from the start of work. It has also been informed that the completion time shall be reckoned from the date of approval of building plans by local bodies or handing over of clear site by Sahitya Kala Parishad, whichever is later. The Committee would like to emphasis that the work regarding the construction of cultural centre is of vital nature benefiting both the General and the SC population of the area at large. The cultural centre once constructed will be providing recreational and other basic amenities in the area which will facilitate the residents especially the children of the area. The Committee, therefore, recommend that the construction of proposed cultural centre be expedited and completed without any further delay.”

#### **Reply of Government**

2.25 In this regard, the Ministry have submitted the following reply:

“The present status report / Action Taken Report on construction work of Cultural Centre at Vikaspuri, New Delhi has been prepared as under –

## **CHAPTER – III**

### **RECOMMENDATIONS/OBSERVATIONS WHICH THE COMMITTEE DO NOT DESIRE TO PURSUE IN THE LIGHT OF THE REPLIES RECEIVED FROM THE GOVERNMENT**

#### **Recommendation No. 4**

The Committee had recommended as under:

“The Committee note that dropout rates have been significant in case of ST students both at primary and at higher secondary levels. The Committee are of the view that corrective measures undertaken by the Delhi Government like providing Mid Day Meal and giving Mini Snack Break to such students, collaborating with DCPCR (Delhi Commission for Protection of Child Rights) for the Early Warning System which keeps a tab on long absenting students and holding regular meetings with the parents would certainly go a long way in curbing the dropout rates. They would like to be apprised of any positive outcomes achieved post corrective measures taken as such.”

#### **Reply of Government**

3.2 In this regard, the Ministry have submitted the following reply:

“ 1. Free text Books, Free Uniform and Reimbursement towards expenditure incurred for admission (25% of total approved seats) under Section 12(1)(c) of RTE Act 2009, are some steps taken under Centrally Samagra Sponsored Scheme of Shiksha, to check dropout of students including ST students. However, since no specific study has been conducted to quantify the positive outcomes achieved, subsequent to corrective measures taken by Samagra Shiksha-Delhi, hence further details are unavailable at this juncture.

2. It is a fact that the dropout rate of ST students has been significant at primary level in MCD schools. In addition to the corrective measures undertaken by the GNCTD like providing Mid Day Meal (MDM) and giving other incentives and facilities to the students, efforts have been made to create the atmosphere of MCD schools attractive and students friendly to retain the students till they complete education upto class 5th standard and get admitted in class 6th for competing secondary education. Moreover, to motivate the students in particulars and the parents in general to continue the education of the students, MCD in collaboration with Delhi Commission for Protection of Child Rights (DCPCR) has decided to introduce early warning system to be monitored by DCPCR team which will greatly benefit the students by preventing

dropout and addressing vulnerabilities among identified students. Under the early warning system, a message will automatically be sent to the parents of the students in case the student remain absent from the school and ask the reason for their absence and also intervene/help the students to resolve if there is any health issue for their absence by giving them medical facilities and other assistance if so required to retain them in school till they complete primary education and get admitted in class 6 after pursuing primary education in order to complete their secondary education.

3. Mid Day Meal amongst students-c this is already in force and regularly good quality freshly cooked mid day meal served following all the codal formalities. However, there is no provision regarding Mini Snack Break in the P.M. Poshan Scheme under extant policy of GOI. As far as New Delhi Municipal Council Schools are concerned, there is no dropout of ST Category Student for the academic year 2022-23 & 2023-24 observed.

For the student who remains absent for a long period from school, HOS are taking following measures:-

i) Students are being sensitized regularly in the morning assembly, weekly house meetings and PTMs.

ii) Written and telephonic

Communication made with parents of the absent child, if found any, regarding his/her absent from school.

iii) Teacher/messenger from school staff sent to the residence of such child.”

**(Vide MHA O.M. No. 1612/08/2023-Delhi-I dated 13.11.2024)**

### **Recommendation No.9**

3.3 The Committee had recommended as under:

“The Committee note that the Department for Welfare of SC, ST & OBCs is implementing a scheme namely ‘Improvement of SC Bastis’. In this regard, the Committee would like to know the details of such bastis which have been redeveloped during the last three years.

The Committee observe that Delhi SC/ST/OBC Financial Development Corporation (DSFDC) provides loans to SC & ST applicants for income generation in collaboration with Apex Corporations under which loans to the tune of Rs.3.00 lakh per beneficiary is provided for

various activities approved by the MCD. The Committee would like to be apprised whether such loan provisions have paved the ways for fruitful income generation opportunities/jobs/ventures for the applicants and to what extent. The Committee would also like to be informed about the criteria of repayment and current status thereof. The Committee further note that beneficiary coverage is low despite various schemes in place and are on decline during the last several years. The Committee would like to know the reasons for the same and recommend that the loan amount of such scheme should be suitably increased to 5 lakh keeping in view the increased dearness and inflation rate to meet their requirement and also to gain popularity among the SC beneficiaries.”

### **Reply of Government**

3.4 In this regard, the Ministry have submitted the following reply:

“Regarding implementation of scheme of “Improvement of SC Basties”

- Department is implementing the scheme, “Improvement of SC Basties” for improving the living conditions of SC residents. Improvement works under the scheme is being taken up on the request of area MLAs, residents or their associations in such Basties.
- Since the SC community is spread/living all over Delhi which has a metropolitan character as such Delhi generally do not have localities where exclusively SC communities are residing. The over all percentage on the community is around 17-18% in a dispersed pattern of habitation in an urban agglomeration, therefore the Basties / localities which have a population of 33% or more of SCs/STs as per 2011 Census Report is considered as SC/ST Bastie/locality. Further, under the scheme, improvement works are also taken up in the 20 Point Programme colonies where residential plots were allotted to land less persons , Chaupals already allotted to/ being used by SC community.
- The works as proposed by RWA/Area MLAs like construction/repair of chaupals, libraries, development of parks, repair /construction of common bathroom and community latrines, repair of kachha roads, Construction of CC flooring of approach roads, laying water sewer lines/drains, culverts, development of crematorium/burial ground, installation of street lights/high mast lights etc. are examined and approved for providing financial assistance under the scheme- “Improvement of SC Basties”. Complete locality/basti is not redeveloped.

- As desired by the Hon'ble Parliamentary committee on welfare of Scheduled Castes and Scheduled Tribes, name of works along with localities in which improvement works have been taken up during the last three years is enclosed at **Annexure-I of Point 9.**

The provisions of loans provided by DSFDC have definitely paved ways for fruitful income generation opportunities among the target group.

During the last one decade the repayment capacities of the beneficiaries have also increased and the beneficiaries are repaying their loan without any problem.

Recovery position of last three years in respect of cases sanctioned from 2017-18 onwards by DSFDC are placed at **Annexure- II (A) of Point 9** and recovery position of 03 years in respect of cases sanctioned prior to 2016-17 by DSFDC is at **Annexure-II (B) of Point 9.**

The data depicts that the loan sanctioned during the last few years the repayment capacity of the target group has increased and they are repaying the loan amount without any installment.

Regarding the repayment criteria, the loan is to be repaid in 72 equated monthly installments with moratorium period of 6 months. Further, loan below 50,000/- is sanctioned without any surety, whereas loan above Rs.50,000/-is sanctioned on production of one Government servant Surety.

In this regard, it is submitted that the DSFDC has been facing shortage of funds from the NSFDC as the Corporation has already exhausted drawl of funds against the Block State guarantee of Rs.10.00crore which will be repaid by the beneficiary in next 5-6 years.

Further the DSFDC has tried for increase of Block State Guarantee. For giving State Government Guarantee a Guarantee Redemption Fund (GRF) is to be established in the Public Account of India for redemptions of guarantee given to CPSEs, Financial Institutions, etc. by the Central Government, whenever such guarantee are involved. The funding to the Guarantee Redemption Fund is to be done through budgetary appropriation as considered appropriate under the head Transfer of Guarantee Redemption funds through Demand for Grants of the Department of Economic Affairs. Since Government of Delhi does not have a Public Account, the Government of Delhi is not empowered to give guarantee to raise loans.

In view of the above, DSFDC is unable to raise more loan from the NSFDC for further sanction to the target group."

## **CHAPTER – IV**

### **RECOMMENDATIONS/OBSERVATIONS IN RESPECT OF WHICH REPLIES OF THE GOVERNMENT HAVE NOT BEEN ACCEPTED BY THE COMMITTEE AND WHICH REQUIRE REITERATION**

#### **Recommendation No. 1**

The Committee had recommended as under:

“The Committee note that in order to check the under utilization of funds and upward revision in budget w.r.t pre/post matric scholarships, systemic intervention is required to ensure wider and uniform coverage of beneficiaries under these schemes. The Committee, therefore, desire to be apprised of various steps being taken by Delhi Government in order to ensure that the pre/post matric scholarship schemes are operating optimally and to its full potential in GNCT of Delhi. The Committee further note that computerization of admission process aims at integrating the registration of beneficiaries for grant of various scholarship with the admission process itself. They would like to be informed whether the said computerization process has led to any augmentation in the number of beneficiaries. In this regard, the Committee would like to be apprised of the number of total students *vis-a-vis* SC/ST students who have been granted pre/post matric scholarships during the last 5 years in various Delhi Government run schools.

The Committee note that there has been a 90-96% utilization of budget allocated towards the disbursement of scholarship. They recommend that schemes targeting SC students should be specifically and prudently oriented in order to encourage the SC students of financially weaker background to continue pursue their studies.”

#### **Reply of Government**

4.2 In this regard, The Ministry have submitted the following reply:

“The various steps being taken by the Directorate of Higher Education to ensure that the Post Matric Scholarship Schemes are operating optimally and to its full potential in GNCT of Delhi are as follow:

1. Ensure setting up of help desk by the Educational Institutes and appoint a Nodal Officer to assist the eligible students to apply online.
  2. Information to be prominently displayed on the notice board & outside of Educational Institutes.
  3. Students should be briefed about the scholarship schemes and their benefits regularly.
- Further, by the Computerization process the number of beneficiaries under Post Matric Scholarship Scheme for SC Students have increased year by year as shown below:-

| <b>Year</b> | <b>No. of beneficiaries</b> |
|-------------|-----------------------------|
| 2020-21     | 1127                        |
| 2021-22     | 1508                        |
| 2022-23     | 2207                        |

(Information as obtained from Directorate of Higher Education However Post Matric Scholarships are also disbursed by Higher Education and Technical Education)

### **Comments of the Committee**

#### **4.3 Please see Para No. 1.7 of Chapter I**

### **Recommendation No. 6**

4.4 The Committee had recommended as under:

“The Committee have been informed that 25% seats are reserved for admission of EWS/DG category students from entry level class (nursery/pre-school, KG/Pre-primary and class-1/primary) upto 8<sup>th</sup> class in private Un-aided Recognize school in Delhi and that the reimbursement is being made to these private Schools for providing free education including uniform, text books and writing materials to students belonging to these categories by Government. The Committee would like to point out that though the students belonging to EWS/disadvantaged groups (SCs, STs & OBCs) are given chance to study in private un-aided schools yet they are forced to leave schools post qualifying of 8<sup>th</sup> standard. The private unaided schools only allow disadvantaged group of students including SCs and STs to continue upto only 8<sup>th</sup> standard commensurate to the mandate laid down by the Delhi government in this regard. It is evident that these schools are quick to exhibit their prejudice which stems from the fact that they are not committed to social justice and the greater welfare of the society by giving the disadvantaged children of SCs/STs a platform to alleviate their socio economic disparity. The Committee, therefore, recommend that Delhi Government should take cognizance of such callous attitude being meted out to the disadvantaged group of students including SCs and STs and bring such errant private schools to books for unceremoniously dropping students post qualifying 8<sup>th</sup> Standard. The Committee also recommend that reserved admission for EWS/DG category students should be extended from entry level/class 1/ primary upto 12<sup>th</sup> class in private unaided recognized schools in Delhi with full reimbursement of fee on actual basis. For the purpose, if necessary relevant amendments may be made by the Delhi Government by introducing a Bill in this regard. The Committee are

of the firm view that with the effective steps, Government would be able to check on callous attitude of the private un-aided schools towards the weaker section of the society. The Committee would also like to be apprised of the effective steps taken by the Government in this regard.

It has also been informed by the Delhi Government that Department of Welfare of SC, ST & OBCs implements a scheme namely reimbursement of tuition fee to SC, ST & OBC Students for class I to XII studying in various public schools of Delhi. The students are reimbursed the actual tuition fee paid by them to the extent of Rs. 48,000/- per annum. The Committee are of opinion that the amount of tuition fee being reimbursed is quite meager commensurate to the fee being charged by the private schools and thus needs to be suitably enhanced to keep it in line with inflation. The private schools, apart from tuition fee also charge various other charges from students under miscellaneous heads. It is the harsh truth that in the absence of full fee being reimbursed to them, private schools often cancel admissions of EWS/ SC, ST & OBCs leaving their future hanging in balance. The Committee, therefore, recommend that the reimbursement of fee be made on the basis of actual fee being charged by the private schools.”

### **Reply of Government**

4.5 In this regard, the Ministry have submitted the following reply:

- As per Section 12(1)(c) of RTE Act, 2009, all Private re- Unaided Recognized Schools are under obligation to 8th admit, at the entry level classes to the extent of at least size 25% of the strength of that class children belonging to Weaker Section and Disadvantaged Group in the neighborhood and provide free and compulsory elementary education till its completion.
- It is relevant to mention herein that the provisions of Section 12 (2) of RTE Act, 2009 read with Rule 11 (3) of Delhi Right of Children to Free and Compulsory Education Rules, 2011 provides that Private Unaided Recognized Schools which are already under obligation to provide free education to a specified number of children on account of it having received any land, building, equipment or other facilities, either free of cost or at a concessional rate, such school shall not be entitled for reimbursement to the extent of such obligation.
- That vide Notification dated 30.12.2023, it was directed by the DoE that all the private unaided recognized schools which were allotted land by DDA/other government agencies

having land stipulation shall also admit children from economically weaker section in neighborhood to the extent of twenty percent (20%) in all fresh admissions made in other classes above the entry level.

- That in cases of private unaided recognized schools which are situated on private land or Govt. Land but do not have land obligation are only mandated to provide free education to the EWS/DG/CWSN Children till completion of elementary education. Thereafter, such children may take admission in govt. Schools of DoE, GNCTD, to complete school education after elementary education.
- That RTE Act 2009. is an Act enacted by the Parliament (Act 35 of 2009) on 26.08.2009. That to ensure that the Children belonging to EWS/DG and CWSN Category students admitted at entry level classes (Nursery/Pre-School, KG/Pre-Primary and Class 1/Primary) in Private Unaided Recognized Schools if allowed to continue the school post elementary education, an amendment in the RTE Act 2009 is required.
- In this regard, it is stated that Samagra Shiksha is a flagship programme under Ministry of Education. Its aim to providing inclusive and equitable quality education to all children under the Programmatic and Financial norms as per Frame Work.
- The Directorate of Education-Delhi allocates funds for the reimbursement of the expenditure incurred by private unaided schools for the enrolled students belonging to Economically Weaker Sections and Disadvantaged Groups under section 12(1)(C) of RTE Act 2009 as per Child Expenditure Rate approved by Finance Department, Govt. of NCT of Delhi.
- Samagra Shiksha-Delhi has the provision of Reimbursement towards expenditure incurred for 25% of admission made under 12(1)(C) of the RTE Act. 2009 upto Elementary Level (class 1 to VIII) in private Unaided Schools. The claim for reimbursement towards the expenditure is made in the proposal of Annual Work Plan & Budget and as per norms of Project Approval Board, Ministry of Education, only 20% fund of the total approved outlay is allotted, which is remitted to the Directorate of Education.

Under the present Scheme of Reimbursement of Tuition Fees for SC/ST/OBC categories students studying in class I to XII in schools recognized/affiliated with Dept. of Education, Govt. of NCT of Delhi / Municipal local bodies of Delhi, reimbursement of tuition fees, Lab fee and Library fees is given to students who scores 50% and above marks and are having not less than 70% attendance in the preceding year. (Maximum Reimbursement amount Rs. 48,000/-

or actual paid whichever is less) is reimbursed. The Department will explore if the maximum limit of reimbursement can be increased by studying similar schemes from other states.

### **Comments of the Committee**

#### **4.6 Please see Para No. 1.16 of Chapter I**

#### **Recommendation No. 10**

#### **4.7 The Committee had recommended as under:**

“The Committee note that cases registered under the SC/ST PoA Act 1989 have been on rise in Delhi. The Committee are dismayed to note that the number of cases, pending trial at the end of each year has been steadily increasing since 2018 from 344 to 487 cases pending at the end of year 2022. The Committee would like to flag the issue that cases where justice is being delayed will only prolong the agony being faced by the aggrieved SC/ST individuals. As per the data furnished by the Delhi government, the number of people convicted under SC/ST PoA Act 1989 is rather negligible, while on the other hand, the number of acquittals has been on rise. The Committee would like to be apprised of the reasons for such variation. They may categorically be informed of the reasons for pendency of cases awaiting trial, despite being 11 Special courts to fast track these cases. The Committee would also like to know about the sincere efforts made by the prosecution in terms of investigation of cases, arguing, conclusive proof and effective hearing in court and disposal status of such cases in each of these special courts and the reasons for pendency of cases.

The Committee are of the opinion that Delhi, being a metropolitan city, must curb the cases of latent bias and caste discrimination instances amounting to atrocity which are increased throughout the city. There are cases which go unreported and it is disheartening to see that amongst the cases which are being registered, some are not charge sheeted. The Committee may also be informed of the reasons for the same.”

### **Reply of Government**

#### **4.8 In this regard, the Ministry have submitted the following reply:**

“The cases of SC/ST Act are being frequently registered on receipt of the complaints of atrocities. The cases registered under the SC/ST (POA) Act, 1989 and PCR Act, 1955 are being investigated fairly and unprejudiced. All corroborative evidences have been brought on the file. The investigation of the cases registered under the SC/ST (POA) Act, 1989 and PCR Act, 1955 are being done. The concerned Staff is also briefed line to line in this regard to comply with the instruction meticulously.

1. There are various factors which lead to increase of atrocity cases against SC/ST individuals and a steady rise in the registration of the cases due to the increase in atrocity incidents faced by the members of SCs and STs. Also the member of SCs/STs is vigilant about their rights and takes legal course as and when they are humiliated by other persons.

2. There are various factors which leads to pendency/acquittal of cases in special courts:-

- Special courts also conduct the trial of other cases under general criminal law apart from SC/ST cases which puts an additional burden on the special court.
- Frequent adjournments sought by the Ld. Counsels for the parties on one pretext or the other.
- Public witnesses do not come forward to depose in the manner favorable to the victims and at the time they become uninterested and do not support the case of prosecution. Moreover, the witnesses are in those cases known to the victims and their evidence is not beyond suspicion.
- The witnesses depose contrary statements in the court, turn hostile and their testimonies remain uncorroborated and inconsistent with their previous statements.
- In most of the cases, complaint/victim settles his/her dispute(s) with the accused out of court and turns hostile to the case of prosecution during the trial.
- In number of cases, there is substantial delay on lodging of complaint and FIR on the part of complaint/victim in making the complaint before the police or the court.
- Poor pairvi (follow-up) by the investigation agency/victims or the persons interested in them.
- Delay in filling the charge sheet in cases of non- arrest of accused by the investigating agency in non-compliance of the mandate in SC/St atrocity act.
- Frequent transfers of the officers relating to the investigation and prosecution agencies.
- The cases of SC/St are concluded with the acquittal because of non-fulfillment of

statutory requirements of “within public view” and “within public places” where the casteist remarks were passed.

- Initial complaint lodged by complaint/victim found lacks of material particular.”

### **Comments of the Committee**

#### **4.9 Please see Para No. 1.25 of Chapter I**

#### **Recommendation No. 17**

4.10 The Committee had recommended as under:

“From the reply of the GNCT of Delhi, the Committee note that motorable access is not available directly from Charak Sadan Society to DG-2 Block Vikaspuri via the MCD Primary school as the MCD Primary School Building has been reconstructed in 2017. The Committee would like to stress that due to this, SC residents in the vicinity and others are being deprived of direct road access. The Committee would like to suggest the Delhi Government to examine the matter in detail and come forward with a plausible solution in public interest after discussion with the Department of Education in this regard.”

### **Reply of Government**

4.11 In this regard, the Ministry have submitted the following reply:

“In this regard, it is submitted that there is MC Primary School, Budhella Village is running since 1948 under the jurisdiction of the Education Department, West Zone and currently 591 Children are studying in the school, age group 4 to 11 years. As per the report of Principal Concerned that the motorable access cannot be provided from the school to any society because the safety and security of Kids/Students of the school is the responsibility of management of the schools.

It is also submitted that the school premises cannot be used for any purpose for non academic activities or commercial activities for any reason (HC).

Therefore, motorable access cannot be provided directly or indirectly via School premises of MCPS Budhella Village for Charak Sadan Society to DG-2 Block Vikaspuri in the largest interest of the security and safety of the students.”

### **4.12 Please see Para No. 1.31 of Chapter I**

### **Recommendation No. 18**

4.13 The Committee had recommended as under:

“The Committee during their local study visit discussed the issue brought forth by the SC/ST teachers’ forum regarding reservation in promotion among various category of teachers till the level of Vice Principal. The Committee would like to invite the attention of Delhi Government towards DOPT OM No.36012/ 16/2019-Esttt. (Res.) dated 12.04.2022 which *inter alia* stipulates reservation in promotions in higher posts. The Committee would like to recommend the Delhi Government to take cognizance of the same and put together a mechanism in place to ensure implementation of the said DOPT OM scrupulously especially in the matter of promotion of school teachers. The Committee would also like to be made aware of the details regarding the promotions made among various category of teachers during the last 3 years viz., details of roster prepared for such promotions and criteria set for the promotion of teachers among various categories. The Committee may also be informed regarding the corrective actions taken by Delhi Government/Department of Education w.r.t to memoranda already submitted by the various SC/ST Association/Forum.”

### **Reply of Government**

4.14 In this regard, the Ministry have submitted the following reply:

“1. In service matters, including reservation in civil posts, the Delhi Government, being Union Territory / National Capital Territory, follows the OMs/instructions etc. issued by Govt. of India from time to time.

## **CHAPTER – V**

### **RECOMMENDATIONS/OBSERVATIONS IN RESPECT OF WHICH FINAL REPLIES OF THE GOVERNMENT HAVE NOT BEEN RECEIVED**

#### **Recommendation No. 13**

The Committee had recommended as under:

“From the figures furnished by the Delhi government, the Committee note that there is shortfall of SC and ST in Group A category of posts throughout various departments under the Delhi Government. Further, the percentage of STs has been on a lower side among all categories of posts. Though the Committee have been informed that all the Departments have been directed to complete the Special Recruitment drive by 15.08.2023, they would like to be apprised of the progress made in this regard. The Committee would also like to recommend that recruitment rules for all posts be finalized at the earliest and recruitment agencies be rigorously pursued for carrying out examination for filling up backlog vacancies. The Committee would like to stress that inordinate delay in filling up of these backlog vacancies is an injustice towards the qualified and needy SC/ST youth whose career prospects would be spoilt with further delays in filling of these posts.

The Committee note that as against the posts earmarked for SCs/STs identified by various Departments of Delhi Government, the numbers of posts advertised are lesser. The Committee would like to be apprised of the reasons for the same. Also provide timeline for advertising the rest of identified posts. The Committee would also like to know the outcome of meeting of the Service Department with recruitment agencies DSSSB, UPSC etc pertaining to the pendency in filling up of backlog vacancies.

With regard to promotion of SCs/STs among various category of posts, figures indicating percentage of SCs/STs promoted *vis-a-vis* unreserved category may be furnished to the Committee at the earliest.”

#### **Reply of Government**

5.2 In this regard, the Ministry have submitted the following reply:

“Services Department earlier vide Office Memorandum dated 08.08.2022 requested all Head Departments of govt. of NCT of Delhi, to indentify the backlog reserved vacancies as on 01.08.2022 and the carry out Special Recruitment Drive-2022 for filling up the vacant posts

and complete the said exercise as per the given schedule between the period of 19.08.2022 to 15.08.2023.
