

Need to expedite construction of ROBs/RUBs in Machilipatnam and

Vijayawada Divisions of South Central Railway in Andhra Pradesh-Laid

SHRI BALASHOWRY VALLABHANENI (MACHILIPATNAM): Railways taken up removing all Level Crossings as a challenge and has been able to make a considerable progress in constructing ROBs/RUBs in the country. But, it is a fact that increasing traffic at LCs where earlier traffic used to be at manageable level now becoming unmanageable and become hurdles for seamless traffic. There are a few of such LCs fall in Machilipatnam and Vijayawada Division of SCR. SSE/P.Way/MTM, Machilipatnam, Vijayawada Division of SCR, after detailed review, found LC NOs. 09 (Ramavarappadu Gate), 12 (Gudlavalleru College Gate), 14 (Nidamanuru Gate), 16 (Gudalli Gate), 20 (Uppaluru Gate), 32 (Pedana Main Gaate), 38 (Chilakalapudi Gate), 43 (Medical College Gate), 44 (Gilkaladindi Gate) & 51(KTR College Gate) needs to be provided with ROBs. These fall under GDV-MTM Stations and Ramavarappadu and Gudivada Stations. Hence, I request Hon. Minister of Railways to take up these ROBs as they are very important for smooth flow of traffic early.
