

Need to introduce train services from Kesinga to Bhubaneswar in Odisha - Laid

SHRIMATI MALVIKA DEVI (KALAHANDI): I would like to request Hon?ble Minister of Railways for starting a direct train from Kesinga to Bhubaneswar. Kesinga is a major business hub of my district Kalahandi, Odisha and maximum number of business are operated here. It is like the trading centre of Kalahandi and there is no direct train from Kesinga to Bhubaneswar, our state capital. This leads to difficulties for businessmen as they have to travel to other areas and catch the train or change trains for trading activities. It is a long pending demand of my people of Kesinga, Kalahandi district and I would be really grateful if you could kindly start a train from Kesinga to Bhubaneswar at the earliest.
