

Need to set up a Post Office Passport Seva Kendra in Periyar Nagar area of North Chennai Parliamentary Constituency, Tamil Nadu-Laid

DR. KALANIDHI VEERASWAMY (CHENNAI NORTH): North Chennai, which includes densely populated areas such as Periyar Nagar, has seen significant growth in both residential and commercial sectors in recent years. Despite this, the residents of these areas are forced to travel long distances to the nearest passport office or regional passport office, which is inconvenient, costly, and time-consuming. The establishment of a Post Office Passport Seva Kendra (POPSK) in Periyar Nagar will significantly reduce the burden on local residents, especially in terms of transportation and time spent traveling to distant locations. Currently, the nearest POPSK is located far from the Periyar Nagar area. With the rapid urbanization and increasing number of passport applications, it is imperative that a passport service center is set up in this area. It is not uncommon for residents of North Chennai to face long waiting periods or have to travel long distances to reach an appointment at the nearest passport center. Being a representative of North Chennai Parliamentary Constituency, I have requested vide my letters dated 10.08.2024, 08.09.2024 & 19.01.2025 but no action has been taken so far. Therefore, I urge the Union Minister to open a Post Office Passport Seva Kendra in Periyar Nagar area of North Chennai Constituency Parliamentary Constituency as soon as possible.
