

Regarding need for railway connectivity between Sheopur and Kota via Baran, Rajasthan-laid

SHRI DUSHYANT SINGH (JHALAWAR-BARAN): I wish to draw the attention of the Government towards the need for a railway route connecting Sheopur to Kota via Baran, an aspirational district in Rajasthan. This railway connectivity will play a crucial role in boosting economic growth, facilitating passenger movement, and enhancing trade activities in the region. Baran, being an aspirational district, requires improved infrastructure for its socio-economic development. Establishing this railway line will create employment opportunities, provide better access to educational institutions, and improve logistics for local businesses. Additionally, this route will ease travel for people commuting for work, healthcare, and essential services, thereby improving their quality of life. I request the Hon?ble Minister of Railways to provide a status update on this project and take necessary steps to expedite its implementation. Strengthening railway infrastructure in this region will contribute significantly to its overall progress and development. I urge the Government to take immediate action in this regard.
