

Regarding problems of ASHA workers

SHRI E. T. MOHAMMED BASHEER (MALAPPURAM): Madam, ASHA workers are doing marvellous service for healthcare and welfare of children and pregnant women. In fact, they are rendering 24x7 service. They are facing a lot of hardships and grievances.

ASHA workers are not salaried employees. They are not getting sufficient amenities and they have a lot of difficulties. So, I urge upon the Government to take this issue very seriously and address their grievances ? *(Interruptions)*
