

**Regarding need to establish universities and technological colleges in Deoria Parliamentary Constituency, Uttar Pradesh-Laid**

**SHRI SHASHANK MANI (DEORIA):** I wish to highlight the lack of higher educational institutions in Deoria Parliamentary Constituency, Uttar Pradesh. Many students are compelled to migrate to other regions for quality education, causing financial strain and brain drain. I request the Ministry of Education to establish universities and technical colleges in Deoria to provide accessible and quality education to our youth.
