

### **Regarding alleged adverse impact of New Education Policy-Laid**

**SHRI E. T. MOHAMMED BASHEER (MALAPPURAM):** New education policy is widely criticised in its implementation itself. There is every reason to believe the privatisation of the education is coming up as a threat to the government institutions from primary till university. Centralisation of power instead of respecting the federal system is also going to be hampered because of this. There is every reason to believe that the proper consultation has not been done with the stake holders like teachers, parents and the academicians. It is also apprehended that the delusion of the content of the higher education and burdens the students and educators, bureaucratic requirements.
