

Regarding problems faced by Soyabean farmers

श्रीमती सुप्रिया सुले (बारामती) : सभापति महोदय, मेरा एमएसएमई का विषय था, लेकिन मैंने आपसे विनती की क्योंकि महाराष्ट्र में आज सोयाबीन का गंभीर विषय है। ? (व्यवधान)

Hon?ble Chairperson, today I rise to talk about an important and serious issue, which is related to the Procurement of Soyabean in Maharashtra.

यह बहुत इम्पोर्टेंट इश्यू है, हमारे साथी ओमप्रकाश और निलेश लंके की तरफ से मैं सरकार से विनती कर रही हूं।

HON. CHAIRPERSON: You can speak in Marathi also.

SHRIMATI SUPRIYA SADANAND SULE: Thank you, Sir.

*My colleagues Omraje Nimbalkar, Nilesh Lanke, Bhagare sir and other MPs seating on both the sides would also associate me. We would like to request the Union Government that NAFED has been procuring Soyabean for the last many months. But, it has been stopped since 4th February, 2025. In the constituency of Shri Omraje, around 41 thousand farmers had registered their names online. Out of this, only 21000 farmers could sell their soyabean, and 20,000 farmers are still waiting out side NAFED Centre for their turn. Nobody is there to help them out.

Hence, it would like to request the Government to look into it immediately.*

Thank you.
