

Regarding safety of women in railways

SHRI B. MANICKAM TAGORE (VIRUDHUNAGAR): Chairperson Sir, there is a growing concern over the safety of woman passengers in trains as evidenced by the recent horrific incident of a pregnant woman being thrown out of the Coimbatore-Tirupati Intercity Express train after resisting an attempt to rape.

I would like to request the hon. Railway Minister to take immediate steps and effective measures to ensure the safety and security of the woman passengers particularly. If women are not safe in the trains, what is ?Beti Bachao Beti Padhao? for? ? (*Interruptions*)
