

Regarding Jal Jeevan Mission in Maharashtra

SHRI NILESH DNYANDEV LANKE (AHMEDNAGAR): Hon. Chairman Sir, I would like to draw your kind attention towards an important issue. Mahatma Gandhiji taught us to conserve matter because it is a blessing of nature. A very ambitious scheme like 'Jal Jeevan' has been implemented by the Government. In my constituency, around 830 projects under 'Har Ghar Nal, Har Ghar Jal' scheme have been sanctioned and around Rs. 1338 crore have been given for it. It is being supervised through Zilla Parishad. In addition to this, 112 schemes have also been sanctioned through Maharashtra Jeevan Pradhikaran worth Rs. 3200 crore. But, their implementation is not up to the mark.

So, I would like to demand to initiate an audit of these schemes and projects immediately.
