

Regarding EPS-95 Scheme

SHRI SANDIPANRAO ASARAM BHUMARE (AURANGABAD): Hon?ble Chairman, the employees serving under various corporation, boards, units and subsidiaries run by State and Central Governments, have deposited their contributions of Rs. 417, Rs 541, Rs 1250 during their service period for pension fund EPS 95, which is different from OPS, NPS and UPS. But, the pension getting under EPS 95 is very meagre and average pension is around Rs. 1,170 per month. The number of the EPS 95 pensioners is 78 lakhs and it is above 14 lakhs in Maharashtra. It does not increase in commensurate with the inflation rate. So, the pensioners are facing hardships and living in abject poverty.

माननीय सभापति : आपकी सरकार से मांग क्या है?

SHRI SANDIPANRAO ASARAM BHUMARE : So, I would like to request the Government to increase the pensionary benefits under this scheme.
