

Regarding issues pertaining to residents of border area

**SHRI SALENG A. SANGMA (TURA):** Sir, I would like to apprise this august House of the people, our citizens, living in the international fencing area running between India and Bangladesh. Our citizens there are living in fear, agony and pain.

If there is no relocation of the fence soon, the situation will get worse for those people. In the evening, after 5 pm, they cannot even come back or if someone has to go to the hospital in emergency, he cannot. This is the situation.

Therefore, I would like to urge the Government, through you, Mr. Chairperson, that the fence should be relocated soon. More than hundreds of people are living in pain.
