

Regarding train services from Bankura to Howrah via Masagram

SHRI SAUMITRA KHAN (BISHNUPUR): Thank you, Honourable Chairperson Madam. I am pleased to state that the work regarding the connectivity between Bankura to Howrah through Moshagram has been finished. I will request the Honourable Railway Minister to grant an Intercity Express that will run through Purulia, Bankura via Moshagram. This will be really beneficial for the people of our constituency. Purulia Express often runs with a delay. Due to this, people have to suffer losses.

Secondly, many Members sit here and talk about their slogan-"Maa, Maati Manush" which pertains to the development of the people of their motherland. But it is certainly ignominious that a woman was dragged to the Trinamool Congress party office in Narayangarh, West Medinipur and was raped. These people come here and speak about working towards the development of the people of their motherland. But in reality, the mothers from West Bengal get raped. I will request to take cognizance of this.
