

Regarding setting up of Kendriya Vidyalayas in Mahabubnagar Parliamentary Constituency

SHRIMATI D. K. ARUNA (MAHBUBNAGAR): Thank you, hon. Madam Chairperson.

I would like to draw the attention of the House to the need to set up new Kendriya Vidyalaya schools in my Mahbubnagar Parliamentary Constituency in Makthal and Kodangal Assembly segments and Jogulamba-Gadwal district headquarters, which come under the erstwhile Mahbubnagar district in the State of Telangana.

As the House is well aware, Kendriya Vidyalaya schools in the country are catering to the best educational needs of children with quality education in most areas especially for those who hail from backward classes and for those who cannot afford high fees. There is plenty of vacant land available in these areas. Moreover, many Central Government employees are residing in these districts and these schools are essential to cater to their needs.

Therefore, keeping in view the huge demand from the local people, I sincerely request the hon. Minister of Education, through the Chair, to kindly intervene in the matter and do the needful by setting up Kendriya Vidyalaya schools in Makthal, Kodangal and Gadwal in my Mahbubnagar Parliamentary Constituency and the erstwhile Mahbubnagar district in the State of Telangana.

Thank you, Madam.
