

**Need to upgrade the State Highway No. 69 from Kumta to Tadas in Karnataka to the National Highway- Laid.**

**SHRI VISHWESHWAR HEGDE KAGERI (UTTARA KANNADA):** I urge the Hon?ble Minister of Road, Transport and Highways for upgradation of the State Highway ? 69, Kumta -Tadas (78.80 KM to 133.80KM) which is very important road of my Uttar Kannada Parliamentary Constituency. This road is life line connectivity between Uttara Kannada Dist and Haveri Dist. The road connects two National Highways 766 E at Bisalakoppa in Sirasi Taluk and ends at NH - 48 at Tadas cross. This road is major connectivity between Coastal Karnataka and North Karnataka. All farm produces from Sirasi, Mundagod, Tadas, Kumata are transported to Hubli commercial capital through this road only. Hence, I request the hon?ble Minister to upgrade the State highway No. 69 from Kumta to Tadas to National Highway.
