

### **Regarding delimitation of Parliamentary Constituency**

**DR. KALANIDHI VEERASWAMY (CHENNAI NORTH):** Sir, the Delimitation Commission has mentioned that the parliamentary seats should not be changed till 2026. It should be done only after the next Census. For 15 years, since the Government has come into power, there has not been a Census. We do not even know what is happening in this country. Thank you, Sir.
