

### **Regarding NIT Calicut, Kozikode**

**SHRI M. K. RAGHAVAN (KOZHIKODE):** Sir, NITC being one of the country's premier institutions, decisions concerning it must be made with utmost transparency. I would like to highlight that the individual appointed as Dean, bypassing the level of HoD, had made a controversial public statement in 2024, praising the assassin of Mahatma Gandhi. I quote: "Proud of Godse for saving India". This statement led to an FIR being registered against the person and an investigation is currently underway. Unfortunately, she was elevated for this critical statement of hers. I wish to know what message this will give to the nation as a whole.
