

Regarding revival of Ginning Mill in Aska, Odisha-Laid

SHRIMATI ANITA SUBHADARSHINI (ASKA): Thousands of cotton growing farmers are affected due to the closure of ASKA Ginning mill Aska Parliamentary Constituency. People are forced to leave their villages in search of jobs in other states. The revival of Aska Ginning mill will definitely Provide job to local youths as well as encourage farmers to grow Cotton Cultivation which has high return value. I urge the Central Government to allocate Rs. 500 crores financial package for the revival of Aska Ginning mill during current Financial year.
