

Regarding development of tourism infrastructure in Warangal

DR. KADIYAM KAVYA (WARANGAL): Hon. Chairperson, as an elected Parliamentarian from Warangal, the erstwhile capital of Kakatiya dynasty, I am here to make a request for developing Warangal as a major tourism destination. Warangal has rich cultural and historical heritage sites such as the Thousand Pillar Temple, Warangal Fort, Kakatiya Kala Thoranam, Ramappa Temple which is recognized by UNESCO, And, then the Sammakka Sarakka Jatara, which is next to Kumbh Mela is conducted every alternate year. However, the tourism infrastructure in the city needs significant development. Promoting Warangal as a major tourism destination by improving infrastructure and promoting heritage sites and boosting tourism services will generate employment and revenue. The enhanced tourism will also contribute to preserving the cultural heritage of this region. Hence, I request the hon. Minister for Tourism to initiate measures for the comprehensive development of tourism infrastructure in Warangal, Telangana.
