

### **Regarding issues pertaining to Textiles industry in Bhiwadi**

**SHRI BALYA MAMA SURESH GOPINATH MHATRE (BHIWANDI):** Hon. Madam Chairperson, today I rise to express my views on Torrent Power Company which supplies power to Bhiwandi city and rural areas. Since 2007, when this company started its operations in Bhiwandi region, arounds 18-20 protest rallies were organized against this company. Bhiwandi was known for its textile mills, but it is declining presently. Thousands of workers have lost their jobs. This company is charging exorbitantly and they are not ready to listen to consumers. If the consumer does not pay electricity bill, they register FIR. Police and courts are also supporting the company and not the consumers. I have complained to Hon. Khattarji about the misbehavior of the company. Please look into it immediately. Thank you.
