

Need to review the departure timing of Yercaud Super Fast Express (Train No. 22650) from Erode Junction in Tamil Nadu-Laid

SHRI K.E. PRAKASH (ERODE): I wish to bring to the kind notice of the Government the difficulties faced by the rail passengers in Erode junction. Yercaud Superfast Express (Train No.22650) passes between Erode and MGR Chennai Central Railway stations. This train departs from Erode junction and reaches MGR Chennai Central station at 3:40 am, which creates challenges for passengers, particularly who start their journey from Erode. The arrival of this train in Chennai Central station during the early hours creates inconvenience as well as affecting the onward journey of passengers concerned. I have been receiving several requests from the people of Erode for changing the departure time of this Yercaud Superfast Express from Erode junction from 21:00 hrs to 22:00 hrs. This change in departure time will help rail passengers of Erode in a big way. I urge upon the Hon. Minister for Railways to intervene in this matter and instruct the Officials concerned for ensuring the change in departure time to 22.00 hours of Yercaud Superfast Express from Erode junction. I hope the time schedule may be revised benefitting the rail passengers of Erode. I once again urge upon the Union Minister for Railways through you, to change the departure time of Yercaud Superfast Express from Erode.
