

Regarding train services in Bishnupur Parliamentary Constituency

SHRI SAUMITRA KHAN (BISHNUPUR): Thank you, Chairperson Sir. This is a momentous day. Today, on the 27th of March, Jayrambati is finally going to be connected by rail. I would like to thank the honourable Railway Minister. I would only like to mention that Jayrambati is the birthplace of Maa Sarada. Thankfully, after so many years, rail services will commence in Jayrambati. I expect the train service will connect Bishnupur and Jayrambati and it will run twice a day.

I request the Honourable Railway Minister to start train services from Bankura to Howrah via Moshagram which will run once daily. I will once again thank the Honourable Railway Minister and offer my respects to Maa Sarada.

God Bless all.
