

Regarding incentive to the farmers and MSP revision

SUSHRI PRANITI SUSHILKUMAR SHINDE (SOLAPUR): Hon?ble Chairman, thank you. Sir, Maharashtra?s farmers have landed in trouble. PWD Minister has resigned and Agriculture Minister is facing different allegations. Our farmers are in distress. Sir, sugarcane is not getting remunerative price. Recovery rates are fixed but the tonnage should be fixed by the respective sugar mills and must be paid at least within 15 days.

Milk rates should also be hiked. Cow milk must get Rs. 40-45 per litre. MSP should also be fixed. Around 12% GST is being charged on agriculture equipments, fertilizers, seeds etc. but, it must be cancelled immediately.

PM Kisan Yojana assistance should also be increased. Farmers and youth must get loan without considering CIBIL score. Grape growers in Solapur must get more grant and irrigation subsidy should also be credited at earliest. Thank you.
