

**Regarding alleged attack of Sanatan Dharma by jihadis in Mothabari Parliamentary Constituency**

**SHRI KHAGEN MURMU (MALDAH UTAR):** Thank You, Chairperson, for letting me speak during the Zero Hour. I would like to mention in the August house a tragic and horrific incident that has recently occurred. On March 27, in the Mothabari Assembly Constituency of West Bengal, some jihadi Muslim militants attacked the homes of the Santani Hindus. They attacked the house of a villager named Rajkumar Chowdhury and molested his wife and daughter. They were on a rampage. They are committing atrocities on the Hindus of Sanatan Dharma. They kept urging all the Muslims to come out and attack Hindu houses. Catching the Hindus and slaughtering them was their motto.

Sanatan Dharma is under attack in West Bengal. Hindus are under attack. The police are standing by and watching everything unfold. These incidents are happening in front of the police. Mothers are being attacked. A mother was kicked in the chest by the police. Later they attacked her son.
