

Regarding the need to continue medical aid centres at Railway stations and platforms in Maharashtra

SHRI ANIL YESHWANT DESAI (MUMBAI SOUTH-CENTRAL): Madam, I would like to invite the attention of the hon. Railway Minister and the Ministry to the medical aid centres which were operational on Mumbai's main junctions, like Chhatrapati Shivaji Maharaj Terminus, Churchgate, Mumbai Central, Dadar, the stations where around 50 lakhs of commuters travel by this lifeline of Mumbai Railways. The medical facility was abruptly stopped there. It really was beneficial for any mishaps, which occurred in the railways like in the local or even long-distance trains. It has been abruptly stopped. I would request, I would urge rather, that the Ministry looks into the matter and revives and resumes this facility, which is of utmost importance to the lives of the people.
