

Regarding the need to renovate Lord Jagannath Temple in Aska Parliamentary Constituency and to declare it as a national heritage site

SHRIMATI ANITA SUBHADARSHINI (ASKA): Jai Jagannath. Thank you Madam for this opportunity. My parliamentary constituency Asika, Ganjam, Odisha is full of natural beauty. Through you, I humbly request that the Lord Jagannath Temple in my parliamentary constituency, which is known as Sharana Shriketra, falls under the Polsara Assembly at Marada. It also comes in my parliamentary constituency which is in a very dilapidated condition. I request the Central Government that if some financial assistance is provided then definitely there will be improvement in my area. It should be declared as a national heritage site. This will increase employment opportunity in my constituency. If a tourism circuit is made around Shri Jagannath temple in Nirmaljar Khalikot, Marada, Sankhemandi, Dharakot, then the whole world will know about this beautiful place and with the help of which, my region will prosper.
