

Regarding need to expedite laying of CNG pipeline work and supply of CNG to petrol pumps in Udupi district in Karnataka-Laid

SHRI KOTA SRINIVASA POOJARY (UDUPI CHIKMAGALUR): I urge the Minister of Petroleum and Natural Gas to address the severe Compressed Natural Gas (CNG) shortage in Udupi district, Karnataka, which is causing immense hardship for auto rickshaw drivers and owners. The CNG pumps in the area have kilometre-long queues, forcing people to wait for hours. Despite my repeated efforts to bring this issue to the attention of the Minister of Petroleum and Natural Gas, the problem persists. Therefore, I request the Union Minister of Petroleum and Natural Gas to complete the pending pipeline work and provide CNG to all petrol pumps in Udupi district, thereby resolving the CNG crisis in the area.
