

Need to establish a Public Sector Undertaking (PSU) in Kallakurichi Parliamentary Constituency, Tamil Nadu-laid

SHRI MALAIYARASAN D. (KALLAKURICHI): The Kallakurichi Parliamentary Constituency in Tamil Nadu has a number of very backward villages. Therefore, I would like to seek attention of the Union Government to provide facilities to improve the livelihood of the people living here by establishing a Central Government Public Sector Undertaking or a Private Company in order to increase the livelihood and economic employment opportunities.
