

**Regarding establishment of IIM and NIT in Mahabubnagar district headquarters, Telangana? Laid**

**SHRIMATI D. K. ARUNA (MAHBUBNAGAR):** I would like to bring to the kind attention of the Government regarding need to set up IIM and NIT in Mahabubnagar District Headquarters which falls in my Mahabubnagar Parliamentary Constituency in Telangana State. Indian Institutes of Management and National Institutes of Technology are premier management institutions in India, highly regarded for their rigorous management education, strong alumni network, and high placement rates and also play a crucial role in shaping India's business leadership and fostering a culture of innovation and excellence in management activities and its brand carries significant weight, opening doors to diverse career opportunities and offering a platform for professional growth to improve quality education, career opportunities with the skills and knowledge to secure better job opportunities, at the international level. My Parliamentary Constituency is nearer to Capital City of Hyderabad and is very much backward and the local people reminded me several times to ensure that establishment of IIM and also NIT in Mahabubnagar are very much useful to the people of entire Telangana State and there is plenty of land available for this purpose which will also help in achieving Viksit Rajya for Viksit Bharat-2047 as part of it. Therefore, I request the Hon'ble Minister of Education to kindly consider the proposal to set up IIM and NIT in Mahabubnagar District Headquarters for which my Constituency people shall ever be grateful.
