

**Need for restoration of trains originating from/passing through Ambala Parliamentary Constituency, Haryana- Laid**

**SHRI VARUN CHAUDHRY (AMBALA):** I request the honourable Minister of Railways to restart the passenger trains stopped during Covid times which were starting and passing through Ambala Parliamentary Constituency in the interest of the daily wagers, public and private sector employees and the public at large. This act of restarting the passenger trains will generate employment, reduce the economic burden on the passengers, save time and reduce pollution as well.
