

**Regarding stay of government order to release of land for creating Tiger Corridor in Adilabad Parliamentary Constituency**

**SHRI GODAM NAGESH (ADILABAD):** I would like to raise an important issue pertaining to my parliamentary constituency Adilabad in Telangana. The Telangana government has released a G.O to reserve a land parcel of 1,49,000 hectares of land for creating a tiger corridor as part of tiger conservation, which affects 339 villages. Though this proposal was made by the state government, now they are trying to blame the Central Government for this decision. Recently, people belonging to various sections like SC, ST and OBC protested against this decision and as a result the Telangana government stayed that G.O. I request the minister for Forests and the central government to direct the state government to cancel the G.O, which has been stayed in the interest of the public. I thank you for giving me this opportunity.
