

**Regarding short stoppage of trains in some routes in Thanjavur Parliamentary Constituency**

**SHRI MURASOLI S. (THANJAVUR):** Hon. Chairperson Sir, Vanakkam. We have been timing and again raising several issues, particularly about railway projects pertaining to our constituencies. I requested for 'one minute' stoppages for several trains and introduction of new train services in certain routes. These are some of the demands pertaining to my Thanjavur parliamentary constituency. But the Union Government is not paying heed to the demands of Opposition MPs like me. I am requesting the hon. Minister of Railways once again that 'one minute' stoppages should be provided for trains between Tambaram-Shengottai; Tambaram-Rameswaram in Athiramappattinam and Peravurani. All the trains passing through Athiramappattinam and Peravurani should have a stoppage for at least one minute. Similarly, Mannargudi-Jodhpur train should have a stoppage at Needamangalam. Our Railway Minister takes pride in Vande Bharat trains. I request Hon Minister for Railways to introduce Vande Bharat train services between Thanjavur and Chennai besides Thanjavur and Bengaluru. Thank you.
