

GOVERNMENT OF INDIA  
MINISTRY OF CHEMICALS AND FERTILIZERS  
DEPARTMENT OF FERTILIZERS

**LOK SABHA**

**UNSTARRED QUESTION NO. 2255 TO BE ANSWERED ON: 01.08.2025**

**Construction of Yards for Fertilizers**

**2255: SHRI VIRENDRA SINGH:**

Will the Minister of **CHEMICALS AND FERTILIZERS** be pleased to state:

- (a) whether thousand tons of fertilizers are required for Chandauli as Chandauli is an agricultural district, if so, the details thereof;
- (b) whether farmers have to visit other districts to procure fertilizers for agriculture, if so, the details thereof;
- (c) whether the Government proposes to construct the yard at a pre-determined location at Saresar in Rajasthan to mitigate the problems of the farmers; and
- (d) if so, the date by which the said yard is likely to be constructed?

**ANSWER**

THE MINISTER OF STATE IN THE MINISTRY OF CHEMICALS & FERTILIZERS  
**(SMT. ANUPRIYA PATEL)**

- (a) The mandate of Department of Fertilizers is to ensure adequate availability of fertilizers at State level. However, distribution of fertilizers within the State at district level is done by the State governments. Accordingly, as per information received from the State Government of Uttar Pradesh, adequate quantities of fertilizers has been allocated in all the districts of the State, including Chandauli, as per their requirement.
- (b) In view of (a) above, no such question arises.
- (c) & (d) State Government of Rajasthan has informed that Saresar is not located in the State. Further, as per the available information, Saresar is located in Chandauli district of Uttar Pradesh. Accordingly, as per the information received from the State Government of Uttar Pradesh there is no such proposal for construction of yard at Saresar.
