- (c) the details and total number of applications received under the scheme in 2024 and the number of applications rejected, State-wise; and
- (d) the timeline fixed for implementing Aadhaar-based verification for all beneficiaries?

**ANSWER**

THE MINISTER OF STATE FOR AGRICULTURE AND FARMERS WELFARE  
कृषि एवं किसान कल्याण राज्य मंत्री (SHRI RAMNATH THAKUR)

(a) to (d): The PM-KISAN scheme is a central sector scheme launched in February 2019 by the Hon'ble Prime Minister to supplement the financial needs of farmers with cultivable land-holding. Under the scheme, a financial benefit of Rs 6,000/- per year is transferred in three equal instalments, into the Aadhaar seeded bank accounts of farmers through Direct Benefit Transfer (DBT) mode. Under the PM-KISAN Scheme, cultivable landholding is primary eligibility criteria to receive benefit of the Scheme subject to some certain exclusions relating to higher income status.

A farmer-centric digital infrastructure has ensured the benefits of the scheme reach all the farmers across the country without involvement of any intermediaries. Maintaining absolute transparency in registering and verifying beneficiaries, the Government of India has disbursed over Rs 3.90 lakh Cr. through 20 installments since inception of the Scheme.

The benefits of the Scheme are released to eligible farmers whose Aadhaar demo authentication is successful and the benefits are released via Aadhaar based payment. The instalment-wise details of the benefits so released in FY 2024-25 is attached at Annexure.

The registration of farmers in the Scheme is an ongoing process and is open to farmers of all States/UTs. The farmers can register themselves through PM-KISAN Portal, PM-KISAN App, and Common Service Centers (CSCs). All such applications are approved by the concerned States/UTs after due verification. In the cases, where the required documents/details are not provided by the applicant, the application is liable to be rejected by the State/UT Governments. Once it is approved by the State/UTs, benefit is processed immediately by the Department and the same is released in the subsequent instalment.

Benefits of the PM-KISAN scheme are transferred to the beneficiaries through Direct Benefit Transfer (DBT) mode, based on the verified data received from the States/UTs on the PM-KISAN portal. To ease the registration process for farmers and bring in transparency and efficiency in implementation of the Scheme, several technological interventions were introduced, including integration with PFMS, UIDAI, and the Income Tax Department. Further, land seeding was made mandatory along with Aadhaar based payment and e-KYC. The benefits of the farmers, who did not complete these mandatory criteria, were stopped. As and when these farmers complete their mandatory requirements, they receive the benefits of the scheme along with their due installments, if any.

States/UTs have been mandated to recover any amount transferred to ineligible farmers marked due to higher income groups such as income tax payees, employees of PSUs, State/Central Govt., Constitutional post holders etc. An amount of Rs. 416 Cr. has been recovered from the ineligible beneficiaries so far across the country.
