ANSWER

MINISTER OF STATE FOR ELECTRONICS AND INFORMATION TECHNOLOGY
(SHRI JITIN PRASADA)

(a) to (d): The National e-Governance Division (NeGD) under the Digital India Corporation {a section 8 not-for-profit company of the Ministry of Electronics and Information Technology}, has introduced the Technical Internship Programme in 2025.

The program intends to support NeGD in tapping into fresh talent and innovative ideas, contributing to the organization's mission of advancing digital governance initiatives.

The main objective of the Technical Internship Programme is to offer students a valuable platform to gain practical experience in a real-world, professional environment.

By working on live projects and collaborating with experienced professionals, interns develop critical technical and problem-solving skills. The details of the programme are as under:

- Biannual hiring of Technical interns i.e., - January and July.
- The duration of the internship is for six (06) months.
- Interested and eligible students can submit their applications online in the prescribed application form available on the NeGD website at <https://negd.gov.in/>.

All students belonging to the General, Economically Weaker Section (EWS), Other Backward Classes (OBC), Scheduled Castes (SC), and Scheduled Tribes (ST), including those of the state of Gujarat, including those from the Mehsana Lok Sabha constituency, can derive direct benefit from

the program by applying for the program in the application window period, online at the NeGD website- <https://negd.gov.in/> and thereby contribute to the advancement of digital governance initiatives in the country.
