VACANT POSTS OF VETERINARY OFFICERS

3885. SHRI RAMASHANKAR VIDHARTHI RAJBHAR

Will the Minister of FISHERIES, ANIMAL HUSBANDRY AND DAIRYING

मत्स्यपालन, पशुपालन और डेयरी मंत्री

be pleased to state:

- (a) the number of posts of veterinary officers are currently vacant in various States along with the steps taken by the Government to fill them, particularly in Uttar Pradesh;
- (b) whether the Government is aware that veterinary services in many States are being affected due to lack of adequate human resources, leading to financial and practical difficulties for animal husbandry farmers;
- (c) whether the Government has formulated any national or State level schemes for quick recruitment of vacant posts in various States; and
- (d) whether any policy is likely to be implemented for creation of new posts and providing employment to veterinary graduates?

ANSWER

THE MINISTER OF STATE FOR FISHERIES, ANIMAL HUSBANDRY & DAIRYING

(PROF. S.P. SINGH BAGHEL)

(a) & (b) As received from the States/UTs, the details of sanctioned and vacant posts of Veterinary doctors is placed as Annexure-I.

Animal Husbandry is State subject and the staffing of government hospitals is done by the States depending on their requirement based on the parameters like geographical status, disease epidemiology, animal profile etc. However, Department under Livestock Health & Disease Control Program (LHDCP) provides financial support to States/UTs on sharing basis for the delivery of veterinary healthcare services at farmer's door step through Mobile Veterinary Units (MVUs). Each MVU is manned by one veterinary doctor. The operational cost including the salary, POL, medicines are also funded on sharing basis. Accordingly, as on date, total 4,019 MVUs are operational across 29 States/UTs, service of which is availed by needy livestock farmers through a Toll-free call number 1962.

(c) and (d) Since Animal Husbandry is State subject; Central government has no policy for creation of new posts for employment of Veterinarians in the state hospital. As per the information received from States/UTs, respective State/UT takes action in regard to creation of new posts and filling up of vacant posts as per their recruitment rule.
