- (f) the details of the work being done at present by the staff members recruited for the said TTI; and
- (g) whether there is any plan to restart these courses and if so, the details thereof and if not, the reasons therefor?

**ANSWER**

THE MINISTER OF STATE (INDEPENDENT CHARGE) IN THE MINISTRY OF SKILL DEVELOPMENT AND ENTREPRENEURSHIP

(SHRI JAYANT CHAUDHARY)

(a) to (g): Sir, The Technical Training Institute (TTI) in Daman falls under the jurisdiction of the Union Territory Administration of Dadra and Nagar Haveli and Daman and Diu. As per information received from the Office of Higher & Technical Education, Dadra and Nagar Haveli and Daman and Diu, the TTI was merged with the Government Industrial Training Institute (ITI) in 2020, with the approval of the competent authority.

This decision was taken by the UT Administration due to low enrolment of students and underutilization of resources, like faculty, machinery, and equipment in the institute.

Further, in the last batch, of the erstwhile TTI, in the Pre-Vocational stream, 121 students graduated out of a capacity of 300, and in the Vocational stream, 12 students graduated out of a capacity of 60.

The Higher & Technical Education, Dadra and Nagar Haveli and Daman and Diu has stated that all former TTI staff have been reassigned to Government Industrial Training Institutes, Government Polytechnic, and Government Engineering College within the Union Territory based on their qualifications.

No courses are now being offered in TTI, as similar courses are being offered at the Government Industrial Training Institute in Daman. It is further stated by the UT of Dadra and Nagar Haveli and Daman and Diu that, they have a range of technical education institutions, including four Government ITIs, three Polytechnics, and one Government Engineering College, providing a diverse selection of industry-specific technical courses to address the skilling and technical education requirements of the area.

List of courses with seating capacity and enrollment 2024 in the four government Industrial Training Institutes (ITIs) in the UT of Dadra and Nagar Haveli and Daman and Diu is provided in Annexure-I.
