

**GOVERNMENT OF INDIA  
MINISTRY OF POWER  
LOK SABHA  
UNSTARRED QUESTION NO.4689  
ANSWERED ON 21.08.2025**

**POWER GENERATION IN UTTARAKHAND**

**†4689. SHRI TRIVENDRA SINGH RAWAT:**

**Will the Minister of POWER  
be pleased to state:**

- (a) whether any annual or long-term target has been set for power generation in the State of Uttarakhand and if so, the details thereof;**
- (b) whether power is sold by Uttarakhand to the national grid annually and if so, the quantum of power sold during each of the last three years;**
- (c) whether an increase is expected in power supply from Uttarakhand to the national grid during the next three years and if so, the estimated figures thereof; and**
- (d) the major schemes or projects being implemented by the Union Government to promote power generation especially hydropower in Uttarakhand?**

**A N S W E R**

**THE MINISTER OF STATE IN THE MINISTRY OF POWER**

**(SHRI SHRIPAD NAIK)**

**(a) : Fuel-wise Generation Program for all the generating stations in the country is prepared by CEA annually. The annual Generation Target for the generating stations located in Uttarakhand for the year FY 2025-26 is 16,625 Million Units (MUs).**

**(b) : Bifurcation of the net power sold by Uttarakhand in Temporary General Network Access (T-GNA) bilateral and collective market, as reported by State of Uttarakhand, is given at Annexure-I.**

**(c) & (d) : Presently four (4) hydro projects are under implementation in Uttarakhand, as per the details given at Annexure-II. Further, as reported by Uttarakhand, Battery Energy Storage System (BESS) of 266MW/665 MWh and Solar Projects of 61.25 MW are anticipated to be commissioned in next three years for power supply from Uttarakhand Jal Vidyut Nigam Ltd (UJVNL) to State Grid.**

**These projects are expected to increase the power production in the State of Uttarakhand. However, the supply of power to the National Grid will depend on the State's power demand.**
