ANSWER

**THE MINISTER OF STATE FOR INFORMATION AND BROADCASTING
AND PARLIAMENTARY AFFAIRS**

(DR. L. MURUGAN)

(a) to (d): A 10 kW FM relay station of All India Radio (AIR) was commissioned at Meerut on 6th March, 2019. The station presently relays the FM Rainbow channel of Akashvani Delhi. However, listeners in Meerut and its adjoining areas benefit from a wide range of AIR content through multiple platforms.

Over 260 Akashvani channels, including FM Rainbow, Vividh Bharati, FM Gold, and 15 regional stations from Uttar Pradesh having studio facilities, are available through the 'NewsOnAIR' mobile app and website.

Moreover, 48 Akashvani channels are also accessible free-of-cost via DD Free Dish, ensuring reach even in remote and rural areas.
