- (c) whether the Government would consider launching a special urban transport corridor project for Amritsar under the Bharatmala or Smart Cities initiatives; and**
- (d) if so, the details and timelines thereof and if not, whether the Government would consider Amritsar's long-standing demand for a complete urban mobility and aesthetic revamp, if so, the details thereof ?**

**ANSWER  
THE MINISTER OF STATE IN THE  
MINISTRY OF HOUSING AND URBAN AFFAIRS  
(SHRI TOKHAN SAHU)**

**(a) to (d) : As per the provisions of Article 243W of the Constitution, in conjunction with the Seventh and Twelfth Schedules, matters relating to urban development fall within the purview of states/ Urban Local Bodies (ULBs). However, Ministry of Housing and Urban Affairs (MoHUA) provides programmatic support to the State/ Union Territories (UTs) in their urban development agenda through its flagship Missions/ Programmes viz. Atal Mission for Rejuvenation and Urban Transformation (AMRUT) & AMRUT 2.0, Swachh Bharat Mission-Urban (SBM-U) & SBM-U 2.0, Smart Cities Mission (SCM), Pradhan Mantri Awas Yojana-Urban (PMAY—U) & PMAY-U 2.0, Urban Transport (UT), etc.**

**Through these Mission/ Schemes, the Central Government approves the State Plans and provides the Central Assistance (CA) to the States. The projects are selected, designed, approved and executed by the States/ UTs and the cities/districts.**

**Under Smart City Mission (SCM), an area-based development approach through retrofitting, redevelopment and greenfield development in 100 cities is followed. As on 11.07.2025, Amritsar has taken up a total of 44 projects, including road projects, amounting to ₹1,911 crore, under the SCM. Out of these 41 projects amounting to ₹1800 crore have been completed. For Smart Mobility, 9 projects worth ₹244 crore have been taken up by Amritsar under SCM, of which 8 projects amounting to ₹197 crore have been completed.**

**Further, Government of India launched "PM-eBus Sewa Scheme" on 16th August 2023 with the aim to augment city bus operations by deployment of 10,000 electric buses on PPP model. Central Assistance (CA) on Per-km of bus operation for 10 years along with one-time CA for development of Associated Infrastructure (i.e. Behind-the-Meter power and bus depot infrastructure) is provided under the Scheme.**

**Under the PM-eBus Sewa Scheme, 347 e-buses have been sanctioned for the State of Punjab including 100 e-buses for Amritsar and 1st Tranche of ₹18.06 Cr. have been released to Punjab including ₹5.05 Cr for Amritsar for the development of Associated Infrastructure.**

**Besides, keeping in view that Amritsar is one of the most prominent cities of the country in terms of heritage, culture, and socio-religious importance, Government of India has taken up several measures to enhance the travel experience and improve convenience to tourists traveling to Amritsar by roads.**

**Some of the important National Highway Development Projects taken up and under implementation by Ministry of Road, Transport and Highways (MoRTH) in and around Amritsar are Delhi-Amritsar-Katra Expressway including Spur for Amritsar connectivity, Amritsar Bypass (to facilitate movement of visitors to Attari-Wagah Border), Amritsar-Ramdas corridor (to facilitate tourists visiting Kartarpur Sahib), Amritsar-Una Corridor (connecting Amritsar to Anandpur Sahib) and Beas-Batala-Dera Baba Nanak corridor (connecting Beas to Kartarpur Sahib Corridor).**
