

**GOVERNMENT OF INDIA
MINISTRY OF ROAD TRANSPORT AND HIGHWAYS**

**LOK SABHA
UNSTARRED QUESTION NO. 821
ANSWERED ON 24TH JULY, 2025**

CONSTRUCTION OF OVER BRIDGES IN MAHARASHTRA

**†821. Shri Sanjay Uttamrao Deshmukh:
Shri Sanjay Haribhau Jadhav:**

**Will the MINISTER OF ROAD TRANSPORT AND HIGHWAYS
सड़क परिवहन और राजमार्ग मंत्री**

be pleased to state:

- (a) the number of on-going projects at present for construction of over bridges in Maharashtra, particularly in Parbhani Lok Sabha Constituency;**
- (b) the details and the number of proposals received/pending/ approved/undertaken by the Government in this regard;**
- (c) whether the Government proposes to construct a flyover bridge in consultation with the Government of Maharashtra from Chintamani petrol pump located along old Nagpur Tuljapur road (MSH-03) to crematorium located along Pandharkawada road in Yavatmal city, if so, the details thereof;**
- (d) whether the Government has conducted any survey or technical examination in view of growing traffic congestion and accidents on the above route in particular and in Parbhani in general, if so, the details thereof; and**
- (e) whether the Government has taken any corrective steps in consultation with the State Government to check accidents and remove traffic congestion?**

ANSWER

**THE MINISTER OF ROAD TRANSPORT AND HIGHWAYS
(SHRI NITIN JAIRAM GADKARI)**

- (a) to (b) The development and maintenance of NHs is a continuous process and the requirement of construction of over bridges/underpasses is assessed as per traffic requirements, available Right of Way (RoW), congestion in urban/built-up sections, road safety**

considerations, etc. at the time preparation of Detailed Project Reports (DPRs) and accordingly provisioned in the estimate. As on date, 169 NH projects costing Rs.63,230 crores are under various stages of implementation in the State of Maharashtra which includes construction of 551 over bridges/underpasses including 9 over bridges/underpasses in Parbhani Lok Sabha Constituency.

(c) The road stretch from Chintamani Petrol Pump located along old Nagpur Tuljapur Road (MSH-03) to crematorium located along Padharkawada road is a State Highway, the responsibility for development and maintenance of which lies with the State Government. At present, there is no such proposal under consideration for construction of flyover along this road stretch.

(d) to (e) Considering the present traffic requirements, available Right of Way (RoW), congestion in urban/built-up sections, road safety considerations, etc., Government has already constructed bypass to Yavatmal city while the work for construction of Parbhani bypass at an estimated cost of Rs. 496.64 crores is under implementation with target date for completion on 31.12.2025.
