The funds are not allocated/sanctioned/released State-wise under any of the component schemes of PMKSY. The proposals received are scrutinized for their eligibility and evaluated based on the criteria fixed as per the extant scheme guidelines. Merit based approvals are given to the eligible proposals based on availability of funds. State-wise financial assistance approved under PMKSY since inception is at **Annexure-I**. Details of approved projects in Darjeeling district are at **Annexure-II**. No projects have been approved in the district of Kalimpong and North Dinajpur as on date.

**(d):** With Creation of Food Processing Infrastructure, the demand for Farm produce which is raw material for Food Processing industries increases leading to better prices to farmers and increasing farm gate profitability. Under component schemes of PMKSY till January 2025 a total of 1611 projects have been approved out of which 1097 are operational, benefitting 3331736 farmers.

Creation of post-harvest infrastructure and processing facilities leads to reduction in post-harvest losses. The component schemes under PMKSY provide financial assistance in the form of grants-in-aid to entrepreneurs for setting up of food processing/preservation infrastructure which, inter-alia, includes cold storages and refrigerated vehicles to minimize post-harvest losses.

As per the Evaluation Study conducted and submitted to the Ministry by NABARD Consultancy Services Pvt. Ltd. (NABCONS) in 2020 on “Impact of Units Implemented under Scheme for Integrated Cold Chain and Value Addition Infrastructure assisted by Ministry of Food Processing Industries (MoFPI)”, it was highlighted that due to interventions of the Integrated Cold Chain and Value Addition Infrastructure Scheme of Ministry of Food Processing Industries, while all sectors had shown some decrease in wastages, but Fruits & Vegetables, Dairy and Fisheries sector had shown significant reduction in wastages.
