(e) if so, the details thereof?

ANSWER

**THE MINISTER OF YOUTH AFFAIRS AND SPORTS
(DR. MANSUKH MANDAVIYA)**

(a) & (b) Indian Olympic Association (IOA) has submitted an expression of interest on 13th March, 2025 to the Commonwealth Games Federation (CGF) to host the 2030 Commonwealth Games in India.

(c) to (e) Decision with regard to inclusion of sports discipline in the commonwealth games is taken by the CGF and the concerned host country. The CGF is the organization responsible for the direction and control of the Commonwealth Games, the Commonwealth Sport movement and other related events. Earlier, the 2026 Commonwealth Games were to be hosted by Victoria, Australia but the host withdrew from the Games due to various reasons, primarily due to paucity of funds. Thereafter, the CGF found Glasgow, Scotland as the replacement host for the 2026 Commonwealth Games. This has led to a much reduced budget, time frame and a reduced sports programme as compared to the previous games. For these Games, only 10 sports have been selected. The selection was based on the four available venues within close proximity, the available budget and careful management of the total athlete numbers (maximum 3000).

The Government wrote to the CGF President over the exclusion of nine major sports disciplines. Out of the excluded sports, Badminton, Cricket, Hockey, Shooting, Squash, Table Tennis, and Wrestling are highly popular in India. The CGF President has replied, inter alia, that having only 10 sports disciplines is a temporary position to secure the 2026 Games, and that exclusion of any sport does not set a precedence for inclusion in the future Games.
