

***Need to provide financial assistance for construction of railway over-bridge near Khallikote Railway Station in Aska Parliamentary Constituency, Odisha-Laid**

SHRIMATI ANITA SUBHADARSHINI (ASKA): There is an urgent need for the construction of Railway Over-Bridge near Khallikote railway station to Keshpur, Tentuliapada village. The students of Government under Graduate High School Keshpur under Khallikote block are facing life risk and traffic jam everyday to reach their school. Accidents are common due to traffic jam. This over bridge will definitely provide seamless journey to common people of Kalupadar, Nuasahi, Patna, Keshpur and Tentuliapada villages as well as the students of Keshpur Government UGHS. There is a pressing demand from the public for upgradation and infrastructural development of Khallikote railway station as well as improvement of passengers amenities like drinking water and toilets at all platforms of the said station. I urge the Ministry of Railways to allocate sufficient fund for the above said railway projects in my Parliamentary Constituency, Aska, in Odisha during the Financial year 2026-2027.
