

***Regarding need for special financial assistance for smooth and successful conduct of Godavari Pushkaralu, 2027 in Telangana-Laid**

SHRI VAMSI KRISHNA GADDAM (PEDDAPALLE): I rise to draw the urgent attention of the Government to the need for special central assistance for the upcoming Godavari Pushkaralu 2027, scheduled to begin on 23 July 2027 in Telangana. The State Government is preparing to organise the event on a large and historic scale, comparable to the Kumbh Mela, expecting participation from lakhs of devotees from across the country. Major pilgrimage centres along the Godavari River, particularly Dharmapuri, Kaleshwaram, and surrounding temple areas, require significant upgrades in terms of riverfront development, sanitation facilities, Pushkar ghats, crowd-management infrastructure, drinking water arrangements, public amenities, and connectivity improvements. Given the cultural, religious, and national importance of the Godavari Pushkaralu, I request the Ministry of Tourism and Ministry of Culture to extend dedicated financial assistance for the development of key temple towns, construction and strengthening of Pushkar ghats, and creation of essential facilities for devotees. I urge the Government to sanction special funds at the earliest to ensure successful and seamless conduct of Godavari Pushkaralu 2027 in Telangana.
