

Regarding need for establishment of medical and nursing colleges in Meghalaya- Laid

SHRI SALENG A. SANGMA (TURA): I would like to bring it to the notice of Hon?ble Minister of Health and Family Welfare regarding shortage of specialist doctors, nurses and other technical staff in the state of Meghalaya. Therefore, if Government could take steps to establish two medical colleges and two more nursing colleges alongwith technical institution relating to health in the State, the health related problems being faced by the people could be addressed.
